## **ASSEMBLY REPORT**

**DATE: 10 APRIL 2023**

**TOPIC: VAISAKHI**

Vaisakhi marks the first day of the month of Vaisakh and is traditionally celebrated annually on 13 April. It is seen as a celebration of spring harvest primarily in Northern India. Further, other Indian cultures and diaspora celebrate this festival too. This holiday also is known as Vaisakhi Festival by Hindus and is known by various regional names in other parts of India. For many Hindu communities, the festival is an occasion to ritually bathe in sacred rivers such as Ganges, Jhelum, and Kaveri, visit temples, meet friends, take part in other festivities, and perform a mandatory daan (charity) especially of hand fans, water pitchers and season fruits. In light of this, an assembly for students in grades VIII through XII was organised on the topic of "Vaisakhi" on April 10 2023. The "Shabad" opened the assembly, which was then followed by the "thought for the day," "news headlines," and "useful word meanings." Students voice their opinions on Baisakhi's rich culture . An associated roleplay with the occasion was also provided. Additionally, a poem about the theme was recited. XII-C students sang a song to close the assembly. Overall, the assembly was enlightening.
