

Assembly Report- G-20 Introduction, Theme and Agendas

To make the children aware and knowledgeable about the global economy, and to become crusaders for environment conservation, students of Class VI A presented a special assembly on 'G-20' and educated fellow students on the theme and agendas. The assembly began with the *Shabad* to seek the blessings of the Almighty. This was followed by a presentation on The Group of Twenty (G20), the thought for the day and enriching the vocabulary of students by adding two new English words.

Emphasis was laid on knowledge spreading and making students aware that India holds the Presidency of the G20 from 1 December 2022 to 30 November 2023. The students presented a mesmerizing skit on the same topic. They made beautiful badges and presented the same to the Principal Ma'am, Headmistress Ma'am and teachers. The Principal Ma'am enlightened our students with her words of wisdom and applauded the children for putting up a great show.
