

CLASS ASSEMBLY REPORT VII D

“Holding a grudge doesn’t make you strong: it makes you bitter. Forgiving doesn’t make you weak; it sets you free.”

The students of class VII D organised an assembly on 24 August 2023 on the topic ‘Forgive and Forget’. The commencement of this assembly was marked by a soul-stirring Shabad, a harmonious expression of gratitude towards the divine followed by the ardas to seek the blessings of the Almighty. The thought for the day was meant to spread the belief that forgiveness is the best form of love in any relationship. It takes a strong person to acknowledge their mistake and an even stronger person to forgive. News headlines and current events were explained to the children in order to inform them of current events. It was followed by a beautiful poem and ways to forgive and forget. The assembly was culminated by a melodious song and a mesmerizing performance by the students. HM ma'am's inspirational remarks and appreciation motivated the students. The assembly concluded with the National Anthem.

“Forget and Forgive may not change the past but it gives the future a chance. Remember when you forgive, you heal. And when you let go you grow.”
