

CLASS ASSEMBLY REPORT

“CONFIDENCE: THE INCREDIBLE POWER IN US”

CLASS VI D

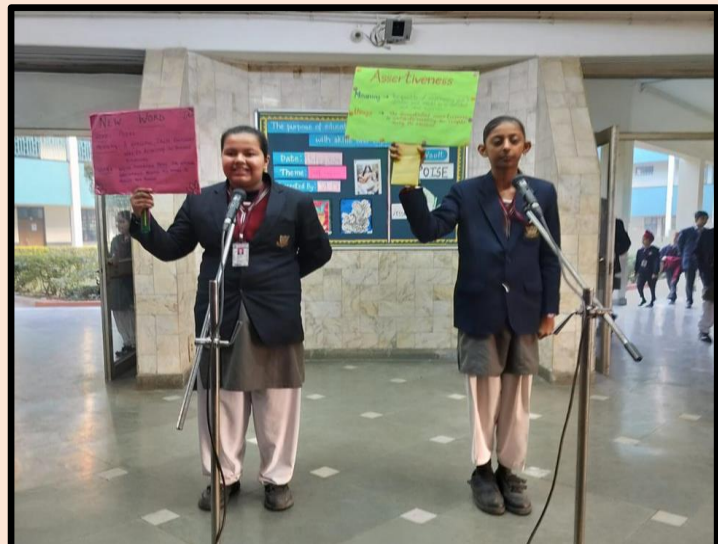

DATE: 15 FEBRUARY 2024

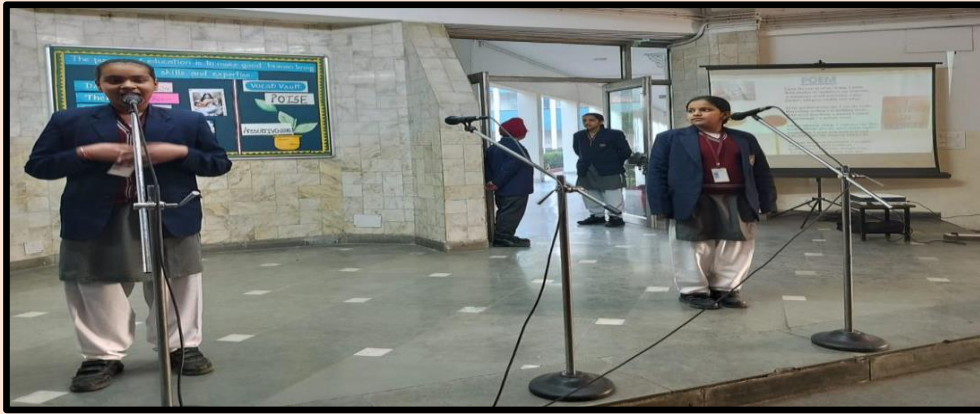

Class VI D's assembly revolved around the theme “**Confidence: The Incredible Power In Us**”. It began with a soulful **shabad recital** that created a calm and serene environment. The touching tones of the speakers set the perfect mood for the stimulating subject that followed. The assembly began with the “**News Headlines**”, where the speaker briefed the students about the recent activities around the globe, covering National, International, and sports news.

The news was followed by an inspirational “**Thought of the Day**” that enlightened everyone.

After this, two students broadened the **vocabulary** with two new words. The speakers encouraged the students to use these words in their daily lives.

Students took the stage to express their perspective about self – confidence through a pleasing poem. This poem encouraged students to believe in themselves and be confident.

The students then successfully performed a skit that denoted the importance of self-confidence.

Two students enlightened us with a **splendid speech**. This speech reminded the students that they can speak very well on stage with this attribute, self-confidence.

Principal Ma'am then addressed the students and talked about how vital the role of self-confidence is in our lives. She applauded the students for their efforts in preparing and presenting an awesome assembly.

The assembly proved to be informative and a congenial occasion, fostering a sense of belief and inspiring students to see their true potential. It made them rethink and reflect on their perspective about self-confidence.
