

APRIL WEBSITE REPORT CLASSES I, II and III ASSEMBLY

WORLD PET DAY

The students of class III A presented their class assembly on the topic - 'World Pet Day' highlighting the importance and awareness of celebrating World Pet Day all over the world.

The students learnt the value of having a pet in their life. They understood the importance of adopting animals and giving them the love and warmth they truly deserve.

The assembly began with a pious prayer followed by the thought of the day.

The students spoke a few lines on the theme using flashcards and placards. The students highlighted the importance of adopting animals as pets and taking care of them with full devotion.

The assembly concluded with a melodious song and foot-tapping dance on Pet Animals which all the children thoroughly enjoyed.

ASSEMBLY

CELEBRATING THE SPIRIT OF HARVESTING

The students of class III B presented their class assembly on April 13, 2023, on the topic - 'Celebrating the spirit of Harvesting' highlighting the importance and awareness of celebrating the harvest festivals with great joy.

The students learnt the significance of different harvest festivals like Baisakhi, Onam, Pongal, and Bihu that take place around the time of the harvest of crops. They understood that the first yield of a crop is a delight for the farmers and they celebrate it cheerfully as a festival.

The assembly began with a pious prayer followed by the thought of the day. The students spoke a few lines on the theme using flashcards and placards. The students highlighted the importance of different harvest festivals. The assembly concluded with a melodious song and foot-tapping dance on 'Harvest Festival' which all the children thoroughly enjoyed.

ASSEMBLY

WORLD HERITAGE DAY

An assembly on 'World Heritage Day' was conducted by the students of class III C on April 18, 2023, To spread the message that we Indians should have immense pleasure and feel extremely proud of our rich culture and past heritage. We should cherish and preserve our priceless and valuable traditions, monuments and culture. The assembly began by seeking the blessings of the Almighty followed by a beautiful thought of the day.

The students of class III C apprised their friends about the importance of our heritage, highlighting the monuments of Delhi like Red Fort, Qutub Minar, Humayun's Tomb, Jantar Mantar etc. The special day offered an opportunity to raise awareness about the diversity of cultural heritage and the efforts that are required to protect and conserve it. The assembly culminated with a mesmerising dance performance by the students on the song 'Des Mera Rangila'.

ASSEMBLY

EARTH DAY

The students of class III D conducted an assembly to celebrate 'Earth Day' on April 20, 2023. The assembly began with a pious prayer followed by the thought of the day. The students shared the factors that pollute Mother Earth and then they discussed how they can protect and take care of the planet Earth. They wore beautiful head gears of Mother Earth. The assembly concluded with a mesmerising song on Mother Earth.

ACTIVITY

EARTH DAY

We are the Earth Warriors!

As an endeavour to make the students aware of the importance of saving Mother Earth, a week was dedicated to celebrating Earth Day. During this week, the students of classes I, II and III learnt about the 3Rs i.e. Reduce, Reuse and Recycle. They brought e-waste and disposed of it in the Eco bin with a positive spirit. They felt like warriors while doing so. A nature walk was also organised for the students of Class I and II. The students took a detailed walk around the school and explored the various initiatives taken up by J.K.P.S. The students of class III made a beautiful headgear on Earth Day and pledged to be the saviours of our Earth and boycott plastic. Effective use of water and electricity was also discussed in great detail with the students.

ACTIVITY

ORGAN APRON

To acquaint the children with a basic understanding of some of the most important internal organs in the body, an 'Organ Apron Activity' was organised for the students of class III. The organ apron activity gave an insight into the internal organs of the human body. The students explained the functions of the internal organs like the brain, stomach, kidneys, lungs etc. with the help of the organ apron. The activity aimed at helping the students to correctly understand how their body organs are arranged and why they are important to us.

ACTIVITY

PLACE VALUE MODEL

To reinforce the concept of the place value system, the students of class III made a working model of the place value system. With the help of this model, the students were able to display 4-digit numbers and show their expanded form. The students were at their creative best and made beautiful working models of the place value system. Through this working model, the students got a chance to internalize various concepts through hands-on experience which they would retain for life.
