## OCTOBER 2023

### *ASSEMBLIES*

CLASSES PP/PS

GANDHI JAYANTI

Gandhi ji is the father of our nation and we are indebted to him for his immense contribution to our motherland. To help our students learn more about this great man we had a special assembly. Students spoke confidently about Gandhiji and his contributions. Students performed beautifully on the 'Bapu ji ke baton ka' song. Students learned about Gandhiji and his teachings. It was a memorable experience for our students.

## BEING SAFE ON THE ROAD

Road safety rules are extremely important to avoid accidents and save precious lives. To help them understand the significance of road safety i.e. not running on the road, walking on the footpath, using zebra crossing, etc. We conducted a special assembly on October 06, 2023. Students were given demos to have a real-life experience. Students not only enjoyed themselves but also had a learning experience.

## HEALTH AND HYGIENE

Health is a very important aspect and we should concentrate not only on our physical health but also mental health. Hygiene is extremely important for maintaining good health. To help our students understand the significance of Health and hygiene we conducted a special assembly on October 13, 2023. Students spoke on eating a healthy diet and maintaining personal cleanliness. It was a learning experience for our students.

## DUSSEHRA

Dussehra celebrates the victory of good over evil. To help our students understand the significance of this day, we conducted a special assembly on 20th October 2023. Pre-primary students stole the show with their mesmerizing dance performance on 'Aao ji Ram ji '. Pre-school students presented a tableau on the sequence of events in Lord Ram's life. It was truly a learning experience for our students.

## *ACTIVITIES*

### *NO BAG DAY ROAD SAFETY*

No Bag Day was done on the 13th of October, 2023. Students learned about traffic rules in a recreational way. Few students wore headgear of their favorite land transport and few children carried the placard of the same.

Students had gone to the nursery quadrangle where a set up of road, zebra crossing, and traffic lights was arranged. They were asked to walk on the road while following the traffic signals.

This experiential learning made them enjoyably learn the traffic rules.

## PUPPET MAKING

Ravana puppet-making activity was done in the classes. Students were told the story of Ramayana. They have explained the significance of the festival celebration i.e. "Victory of Good over evil". Along with this they made and decorated the puppet of Ravana. They enjoyed doing the craft and did the pasting of crown, face, and stick. The activity helps to enhance their hand-eye coordination.
