

Jaspal Kaur Public School
Report on Class Assembly
Topic :- TIME MANAGEMENT

Date :- 03 April, 2023

Classes - XII-B

The students of class XII B presented an assembly on the topic, 'Time Management', on 3 April 2023. The assembly began with the 'Shabad' that filled our hearts with gratitude and humility.

Blessings were also bestowed upon the students by Ardaas for starting of their session. This was followed by the thought for the day and the domestic and International news headlines.

Students shared the thought that time management is one of the most rewarding skills in one's life. Students were made aware that learning the art of time management could yield a positive impact on their lives, like better task management, higher productivity, no stress and better work-life balance.

Emphasis were laid on wearing proper school uniform and being punctual to school shared the thought that time management is one of the most rewarding skills in one's life. Students were made aware that learning the art of time management could yield a positive impact on their lives, like better task management, higher productivity, no stress and better work-life balance.

In conclusion, principal ma'am and headmistress ma'am addressed the assembly and welcomed the beginning of the academic year 2023.
