

## AUGUST WEBSITE REPORT CLASSES I, II, and III

### ASSEMBLY INTERNATIONAL TIGER DAY

International Tiger Day is observed on July 29 each year. An assembly to celebrate the same was conducted on 1 August by students of class II D. This day is celebrated to raise awareness about the endangered tiger species and promote efforts to protect them and their habitats. The assembly began with a prayer. Students presented a short skit followed by thoughts of the day, students shared insights about tigers and the day. They also pledged to protect and save the national animals of India.

### ASSEMBLY INDEPENDENCE DAY

Every year we celebrate Independence Day with full enthusiasm and patriotic feeling. On 14th August, class II -A presented their assembly on Independence Day. It started with a dialogue between 2 students explaining why it is celebrated all around the nation. After that children dressed up as our freedom fighters spoke about their famous slogans. Students also presented a small silent skit on secularism in India followed by a pledge. The assembly was concluded by an energetic dance performance of patriotic songs.

## ASSEMBLY TIME MANAGEMENT

‘The most efficient way to live reasonably is every morning to make a plan of one’s day and every night to examine the results obtained.’

We should inculcate the value of time and time management in young minds and so to do that class II-C presented with an assembly on ‘Time Management.’ The assembly started with a prayer followed by the thought of the day. The children also told some interesting facts about time and gave some tips to manage time. The children presented a short skit highlighting the importance of waking up early to manage time properly. The assembly ended with a short and sweet poem on always being on time.

## ASSEMBLY SELF DISCIPLINE

‘Self-discipline is the best discipline.’

We all know, that the one who is disciplined and sincere in his/her actions, surely succeeds. As an endeavor to promote the quality of self-discipline, an assembly was conducted by the students of Class I-A. The assembly commenced with a prayer followed by the thought of the day. The enthusiastic students presented their thoughts on the theme and explained the importance of introspection to everyone. The students also discussed various scenarios in which we can monitor ourselves and save ourselves from possible danger. The assembly concluded with a vibrant and joyful dance that mesmerized everyone.

The students learned an important and fruitful lesson today and had lots of fun.

## ASSEMBLY RENEW THE ENERGY TO SAVE THE FUTURE

We should save energy and resources by not wasting electricity, water, and paper, and saving fuel. The best option is to use the solar energy. We should switch off the lights and fans when we move out of the room. Children of Class 1 enjoyed the assembly on the same by speaking lines and presenting an action song.

## SHOW AND TELL ACTIVITY

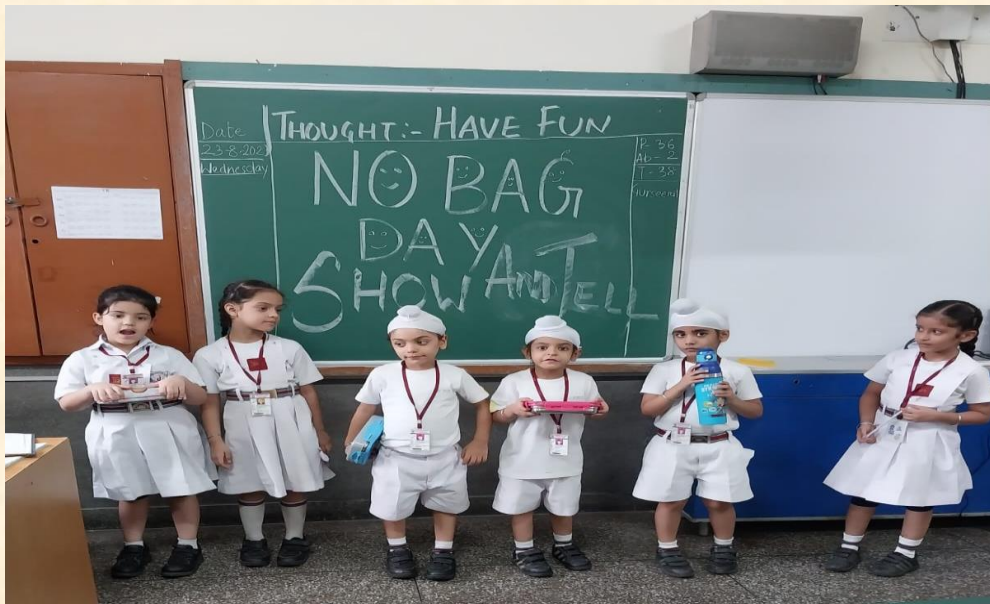

In our daily lives, we rely on numerous conveniences. To explore this further, a 'Show and Tell Activity' was organized for the students of Class I. During this activity, the students shared insights into the features and purposes of the items they carry to school every day. This initiative not only improved their listening and speaking skills but also bolstered their self-assurance. Here are some glimpses of the activity:

## INTERNATIONAL DOG DAY

International Dog Day is observed on August 26. Students of class II celebrated the most loyal pet dogs by bringing a photograph of dogs they have or would like to have and learned that the goal of the Day is to raise awareness about the life of dogs and acknowledge that dogs do a lot for us humans, from keeping us safe in emergencies, provide services to assisting individuals who are blind, deaf, etc

Glimpses of activity-

## FAMILY TREE

"A family tree is a representation of a family across different generations." 🌳

Families are like branches on a tree. We grow in different directions yet our roots remain one.'

To make the children understand the importance of family in life, a family tree activity was organized for the students of class III.

In this activity, the children made beautiful family trees with pictures of their grandparents, parents, uncles, aunts, and siblings on them.

## ADJECTIVE BOWL GAME

In alignment with the 'School Bag Policy, 2020,' and the principles outlined in the 'National Education Policy (NEP) 2020,' we introduced a new initiative - the "No Bag Day" - into our school curriculum. This initiative aims to facilitate students' growth by dedicating specific days each month exclusively to activities that enhance learning while making it enjoyable and well-rounded. On "No Bag Day", the adjective bowl game was played to make students understand the use of adjectives. In this game, the students were asked to come and pick one adjective from the bowl and frame a meaningful sentence using that adjective.
