

Report - Book Week 2023

Connecting Mind through Words

“Read a thousand books, your word will flow like a river.”

-Lisa See

Recognizing the profound impact of books on shaping minds, Jaspal Kaur Public School embarked on a literary journey by organising a captivating book week from December 26 to December 28, 2023, as part of the Scholastic Internship Programme 2023. The school's principal Mrs. Asha Saran Srivastava inaugurated the event to foster a deeper connection with the world of literature.

Activities and Competitions:

The week unfolded with a myriad of literary activities and competitions, including a colouring contest, character analysis, off to Hogwarts, five elements of the story, and advertising your book. These engaging events provided students ample opportunities to hone their language and holistic skills, creating an environment that celebrated the magic of storytelling.

A notable highlight of the event was the Author's Meet, featuring Mr. Ajit Narayan, a renowned professional cartoonist and illustrator. With a focus on "the art of humorous drawing," Mr. Narayan shared insider tips and demonstrated masterful techniques through practical, hands-on activities. Students learned the intricacies of cartooning and discovered the joy of bringing characters to life.

Storytelling is the most powerful way to put ideas into the world. The power of storytelling was brought to life through captivating sessions for classes I to III. Ms. Surekha, a motivational speaker and storyteller associated with HT, mesmerized classes I & II, while Ms. Monisha Gupta, chief facilitator at the British Council, enchanted class III. Using voice modulation, expressions, and gestures, these sessions kept the children spellbound, emphasizing the transformative potential of storytelling.

To instill a love for reading, Scholastic India Pvt Ltd organised a compelling Book Exhibition, offering a diverse array of reading materials for all age groups. Open to students and parents, the exhibition garnered overwhelming appreciation. The display of books, coupled with a lucky draw for book enthusiasts, added an extra layer of excitement to the event.

JKPS's Book Week was a holistic celebration of literature, nurturing reading habits, and enhancing literary and creative skills among students. The weeklong extravaganza successfully connected minds through words, leaving a lasting impact on the school community.
