

ASSEMBLY REPORT

TOPIC: FOCUSING ON YOUR GOALS

The students of class IV A presented an assembly on 25 July 2023 on the topic 'Focus on your goals'. The assembly commenced with a pious Shabad "Guru Mere Sang". The students shared the thought for the day and two new words to enhance vocabulary. A scintillating hindi poem ``Koshish karne waalon ki kabhi haar nahi hoti'' was recited by the children. This poem drilled the concept of hard work and taught them that regular practice always leads to success and detains the concept of failure. As the assembly continued, a motivational song filled the air, inspiring everyone with its powerful message about the value of hardwork and the satisfaction of achieving our goals. The Headmistress Ma'am appreciated the assembly and acknowledged the efforts of the children. Children took keen interest in the assembly and understood that one should always focus on the goals.
