

## SCHOOL ASSEMBLY REPORT

CLASS: IX-C

The school assembly on Monday, July 31, 2023, was a vibrant celebration of Friendship Day, fostering a warm and inclusive atmosphere. The day commenced with a soulful recital of the Shabad, setting a serene tone. This was followed by news headlines, an introduction to two new words, and a thought of the day which talked about genuine connections. A student then recited a self-composed poem, touching upon the joys of friendship. The discussion about the history and significance of Friendship Day provided students with valuable insights into the day's origins and universal relevance. The students' enchanting performance of "The Friendship Tree" brought the essence of friendship to life, emphasizing the power of togetherness and unity. The students enthusiastically participated in singing a friendship song, fostering a sense of camaraderie and togetherness. Additionally, the assembly acknowledged Munshi Premchand's birthday, paying tribute to his literary contributions that often centered around themes of friendship and compassion. The day culminated with the united voices of the school singing the national anthem, symbolizing the collective spirit of patriotism. Overall, the assembly left a lasting impression, reminding students of the profound impact of genuine friendship and the importance of nurturing meaningful relationships in their lives.
