ASSEMBLY

INTERNATIONAL DAY OF FAMILIES

Families are an integral part of our lives. As an endeavour to inculcate the importance of families in our life and to appreciate the different family set up around us J.K.P.S organised an assembly on the occasion of International Family Day on May 9, 2023. The assembly was conducted by the tiny tots of Class I A. The students acknowledged the love and care provided by their mother and father. The pivotal role of grandparents in the value based upbringing was rightfully showcased. The students expressed their love for their siblings and cousins showed how each relation is important in the overall upbringing of a being. The assembly was concluded by melodious song on different families, the students danced on the tunes of the song and enjoyed the assembly.

ASSEMBLY MOTHER'S DAY

Students of I B presented assembly on Mother's Day on May 11, 2023. They expressed their love for their Super Moms by sharing beautiful thoughts. Students recited a beautiful poem on Mom. The assembly was concluded with a cheerful song and dance by the students. Every one enjoyed the assembly.

ACTIVITY MOTHER'S DAY

My mom is a supermom!

"God could not be everywhere. So, he created Mothers". As an endeavour to thank mothers the students of classes I and II made thoughtful card for their supermoms with cut outs of their and their mother's hand. The students of class III made beautiful 3D cards for their mother using origami sheets, beads, ribbons etc. Using the best of their imaginative and creative skills, every child's card was a masterpiece in itself.

Students also expressed how much they love their mothers and what all their moms do for them. The students thoroughly enjoyed the activity and were excited to present their card to their mother with a hug as a sign of their love and appreciation. Also, they were taught that we must not celebrate these relations only for a day but every day.

ACTIVITY HEALTHY COOKING ACTIVITY

Cooking is an art, in fireless healthy cooking activity students were provided an opportunity to experience the essence of cooking for eating healthy.

It is necessary for the students to know about various points in the process of cooking. In cooking activity students learnt about-

- Nutrition.
- Garnishing the prepared dish in the best possible manner.
- Serving on a plate and table manners.
- Importance of serving the prepared dish.
- Cleaning the table after the activity.
- Hygiene played a pivotal part in the learning process.

The students participated with a lot of interest and zeal. Students of class I prepared fruit kabab and chefs of class II showed their skills in making Malai sandwich.

Students understood the nutritional value of the ingredients used and the importance of consuming fresh vegetables and fruits in their daily diet.

With these activities teachers observed certain qualities among the students like planning, coordinating, sharing, time management, joy of preparing the dishes asking others opinion of taste, also they had developed a mind set to accept suggestions to improvise the dish.

It was a great experience for the students where they were LEARNING BY DOING.

COMPETITION

Show and Tell Competition

JKPS believes in providing opportunities to children to build their confidence and develop effective communication skills. Keeping this objective in mind "Show and Tell Competition" was organized on May 4, 2023 for the tiny tots of class 1. It enabled them to improve their descriptive skills by communicating feelings, thoughts and emotions with words. The students were informed to bring the things they use in their daily life. They were excited to share their descriptive narration and waited eagerly for their turn to show and tell. Thus, this event helped our tiny tots to build their social, emotional and language skills.

Competition Environment Enthusiasts

"The Earth is what we all have in common"

This Earth Day, students of class II became Environment Enthusiasts. Earth Day is celebrated every year on April 22. Keeping same in mind an Environment Enthusiasts competition was organized to explore students' individual talent and creativity. Students got an amazing opportunity to showcase their creative side. Our young Jaspalians picked an eco-friendly object like electronic vehicle, edible cups, any item made from jute, bamboo, hemp. etc.

They were able to show and tell about that object and how can it be a useful eco-friendly alternative towards sustainable development. They used colourful props, flashcards and headgears.

Competition Nurture the Nature (Poem Recitation)

Date – May 2, 2023

“Poetry is when an emotion has found its thought and the thought has found words.”

Robert Frost

To kindle poetic flair among the Jaspalians, an Inter Class Poem Recitation Competition was organized in the school campus on Tuesday, May 2, 2023. Beauty is the realm of poetry; the students of class III enthusiastically participated in the competition as they got an opportunity to exhibit their talent and confidence. The competition inspired the young poets to come forward and recite on stage. The students came up with different poems on the theme “Mother Nature” and recited them with great fondness. They enjoyed the perfection of expression, thoughts, emotions, rhythm and music of words.
