

ASSEMBLY ON DETERMINATION

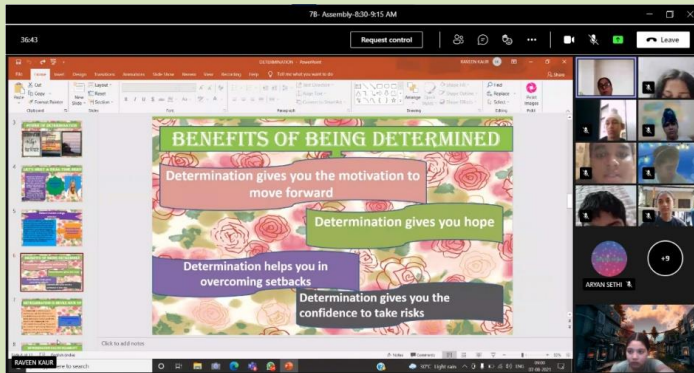

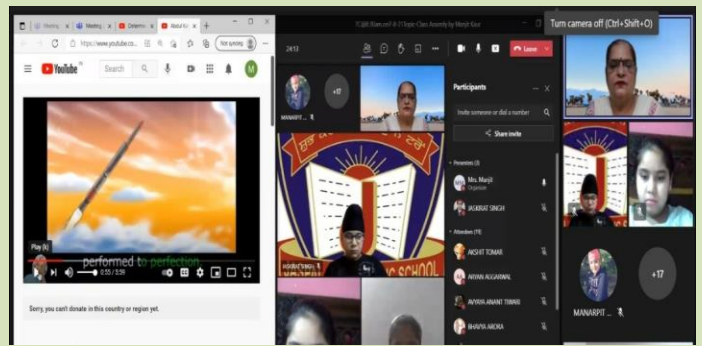

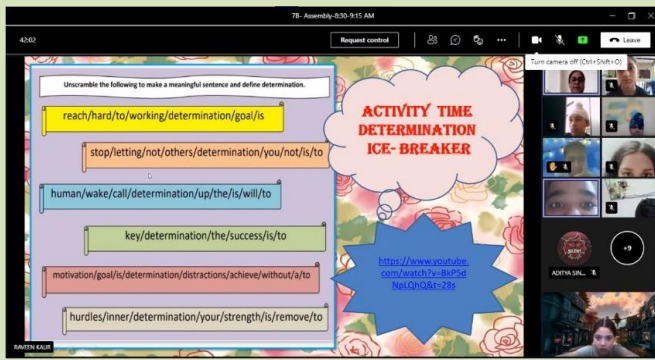

"Strength does not come from physical capacity. It comes from an indomitable will."

Mahatma Gandhi

To sensitize the importance of being determined for a successful life, a special assembly was conducted on 07 August 2021 for the students of classes IV-VII on the topic "Determination". The students were shown a PPT which included videos, stories, quotes, and craft activities.

The students understood what determination is and why they need to be determined in their life. The power and benefits of determination were discussed with the students. They released that anything which is impossible can be made possible with a sense of great determination. The students enjoyed the ice-breaking activity in which they unscrambled the words and made a meaningful sentence to define determination.

Students of classes IV & V made beautiful bookmarks and wrote quotes related to determination on it. On the other hand, the students of classes VI & VII made attractive wall hanging with the specific traits required to be determined in life. They enjoyed the song ‘Aashayen’, which inspired them to get motivated and determined to achieve their goals.
