The topic for this week's assembly was Work is Worship.

Our deeds are what makes us immortal. Our acts are nothing but our footprints that we leave behind "on the sands of time." We tried to engrain these virtues in our young enthusiasts so that they tread the path of life with level-headedness and integrity. Audio-video links were shared to enrich our classroom discussion.

not by strength but by
perseverance."*

Your work is to discover
your work and then,
with all your heart,
to give yourself to it.
