

## Children's Day Celebrations classes IV-VII 'To Celebrate & Empower the Little Ones'

There's joy & wonder everywhere when you see the world through the eyes of a child. Pure and innocent, children are actually a synonym of unadulterated humanity. They bring us together and build the foundation for the society. Children's Day or Bal Divas is celebrated on the 14th of November to mark the birth anniversary of Pandit Jawaharlal Nehru, the first Prime Minister of India. The passion Chacha Nehru shared towards child empowerment and the immensely strong connect he had with children are the reasons we celebrate Children's Day on his birthday anniversary.

To celebrate the occasion, students wore a Nehru cap, adorned a rose and participated in special activities designed for them. They enjoyed watching PPT & videos and danced and sang songs with the teachers. The quiz and tongue twisters enhanced their knowledge. It was an exciting day for the children filled with fun and frolic.

STORY TIME

## The Best Seed

There once was a farmer who grew the most excellent wheat.

Every season he won the award for the best wheat in his county.

A wise woman came to him to ask him about his success.

He told her that the key was sharing his best seed with his neighbors so they could plant the seed as well.

The wise woman asked, "How can you share your best wheat seed with your neighbors when they complete with you every year?"

"That's simple," the farmer replied.

"The wind spreads the pollen from field to field.

"If my neighbors grew inferior wheat, cross-pollination would degrade everyone's wheat, including mine.

"If I'm to grow the best wheat, I must help my neighbors grow the best wheat as well."

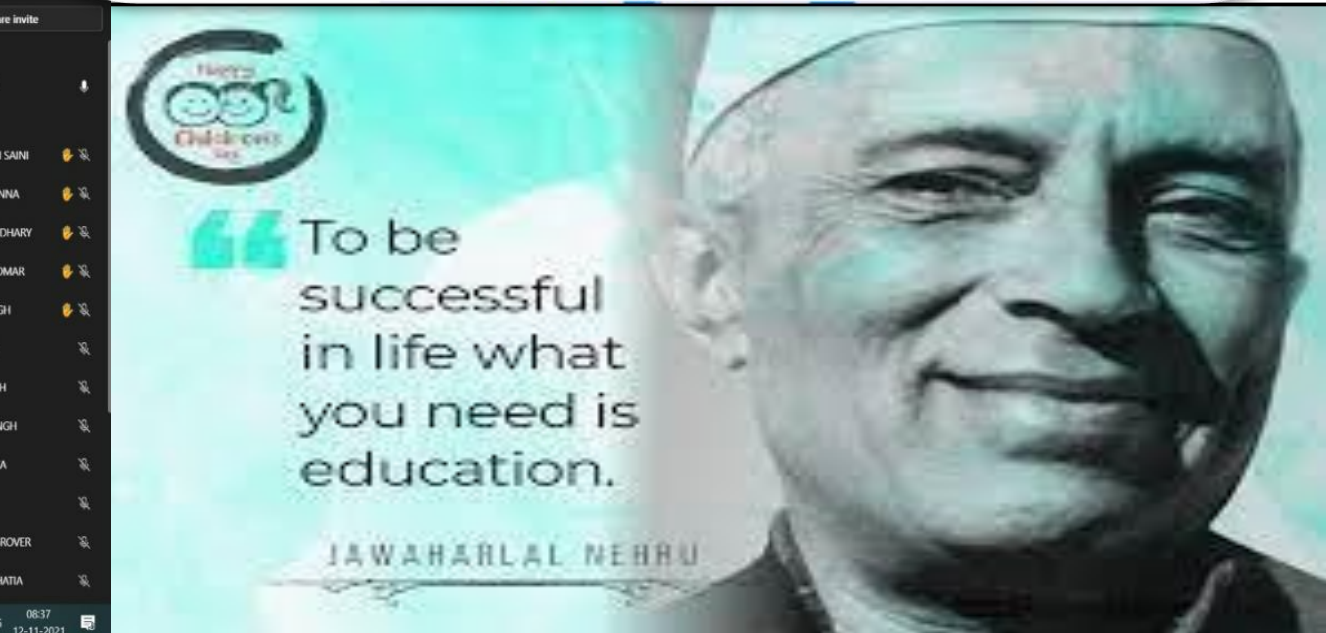

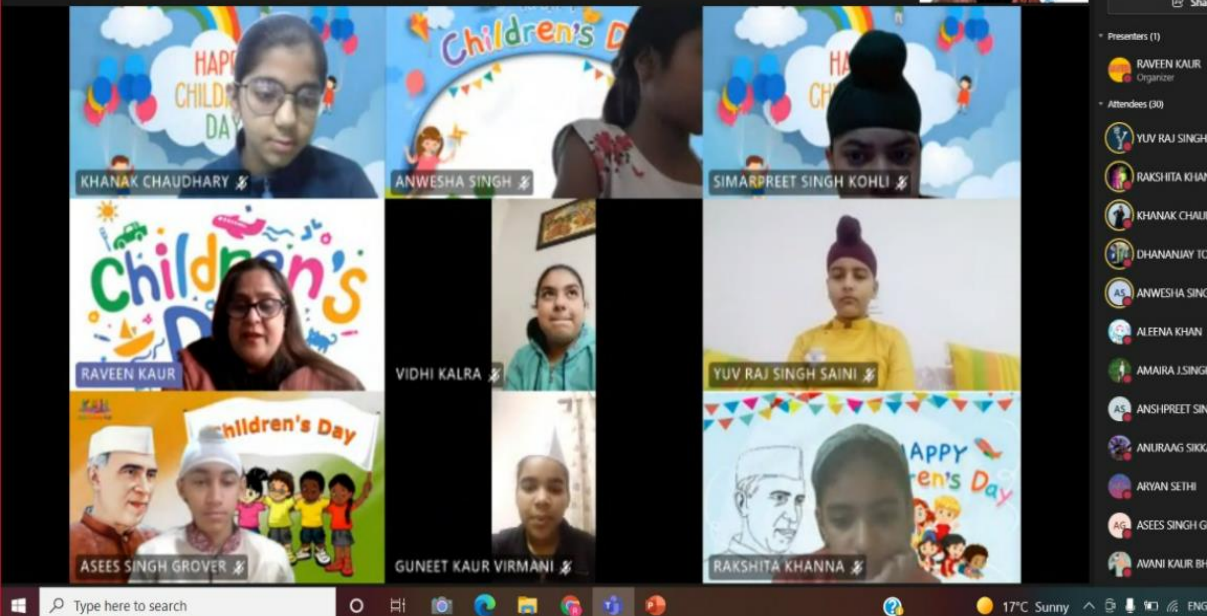

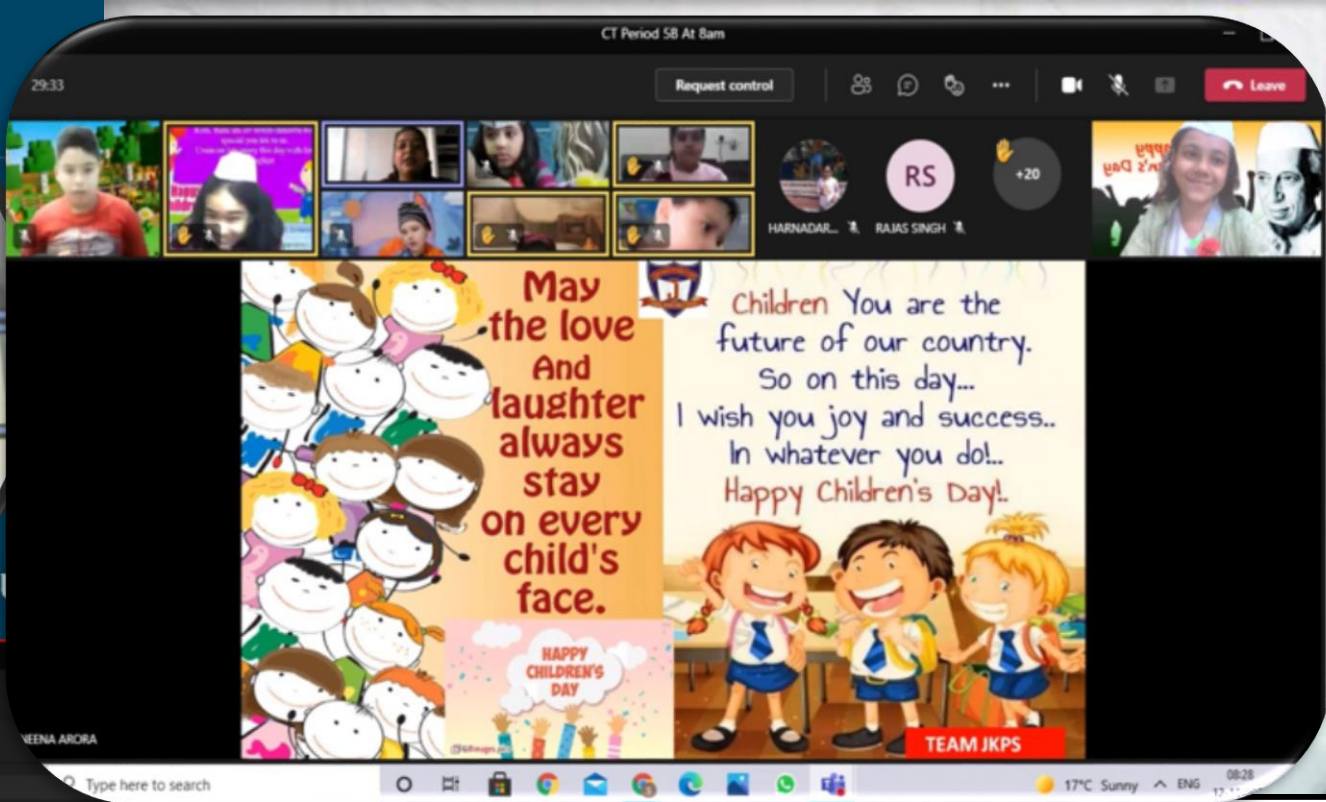

This is not only excellent advice for growing the best crops, but also great advice for how to live your life.

### MORAL OF THE STORY

If you want to live a meaningful and happy life, help others find happiness.
