

ASSEMBLY REPORT

VIII-A

09.12.2022

Navy Day in India is observed annually on December 4 to recognise the contributions and accomplishments of Indian Naval forces.

Indian Navy Day commemorates all Navy personnel who sacrificed their lives while serving the country in the Indo-Pak war in 1971. The Indian Navy is a three-dimensional force that protects our country's interests above, on, and beneath the ocean's surface.

To pay a tribute to the Indian Navy, Jaspalians of class VIII-A presented a special assembly on December 9, 2022. The assembly began with a blissful Shabad recital followed by a motivational thought of the day. Then, students presented News Headlines for the day. A short role play emphasizing the importance of the Indian Navy was also presented which filled the young hearts with ecstasy, pride and honour. The students also elaborated on achievements of the valiant Indian Navy.

The talented students then showcased dance and music fusion on the Song- 'Ae Desh mere' which was enjoyed by all. The observance of Navy Day also raised the desire in young minds to opt for the Indian Navy as a career and serve the motherland. In the end, Principal ma'am motivated all the students and also felicitated the winners of the 'Bharat ko Jano Competition' organized by Bharat Vikas Parishad.
