

# JASPAL KAUR PUBLIC SCHOOL

## ICONIC WEEK ( 4 OCTOBER- 10 OCTOBER)

As part of 'Azadi ka Amrit Mahotsav', the Eco club of Jaspal Kaur Public School celebrated 'Iconic Week' from 4 October to 10 October 2021 through a virtual platform. The MoEFCC had identified four different themes for the week viz, lake/wetland/water conservation, curbing the use of single-use plastic, wildlife conservation and afforestation. Students from classes IV to X participated actively during this week.

An introductory video was shown to the students to sensitize them towards the importance of biodiversity and the need to conserve it. This was followed by a discussion where the students expressed their views on different topics like how to reduce the use of plastic, how to save birds and animals. 'Green Good Deeds' was shown to the students to make them aware of their role in saving nature. Last but not the least, various informative videos were shown to the students which helped them to understand their role in saving Mother Earth.
