***ASSEMBLY REPORT***

***DATE: 10 APRIL 2023***

***TOPIC: VAISAKHI***

Vaisakhi marks the first day of the month of Vaisakh and is traditionally celebrated annually on 10 April. It is seen as a celebration of the spring harvest primarily in Northern India. Further, other Indian cultures and diaspora celebrate this festival too. This holiday also is known as Vaisakhi Festival by Hindus and is known by various regional names in other parts of India. For many Hindu communities, the festival is an occasion to ritually bathe in sacred rivers such as the Ganges, Jhelum, and Kaveri, visit temples, meet friends, take part in other festivities, and perform a mandatory *daan* (charity), especially of hand fans, water pitchers and season fruits. In light of this, an assembly for students in grades PS to XII was organized on the topic of "Vaisakhi" on April 10, 2023.

The assembly began with a "Shabad", followed by the thought for the day, news headlines, and two new words with their meanings. Students voiced their opinions on Vaisakhi's rich culture. An associated roleplay with the occasion was also provided. Additionally, a poem about the theme was recited. The assembly ended with XII-C a song sung by class XII C students. Overall, the assembly was enlightening.
