JKPS/Cir/Ass/2022/27

July 11, 2022

Cir for Classes III - XII

Dear Parents

Warm Greetings from JKPS!

Hope you all are keeping healthy and safe.

In pursuance of Circular no. - DE.5/212/Exam/16-17/Part 1/365-374- dated 01.07.2022 issued by the Directorate of Education, Govt. of NCT of Delhi, this is to inform you that the **DoE** has **reframed the Examination & Assessment Practices from the Academic Session 2022-23** and has taken many steps aligning the assessment to learning outcomes up to class VIII. Further, the department has also implemented the changes made by CBSE in the Scheme of Studies from classes IX to XII in light of the National Education Policy (NEP) 2020. The focus is on **Competency-Based Learning** which will equip the students to face real-life challenges in an information and technology-driven world and enhance their inherent potential. The policy includes the examination and assessment guidelines for Classes III to VIII, along with Classes IX & XI.

Some of the Key points for the Examination & Assessment Guidelines for the Academic Session 2022-23 released by the DoE are as follows:

1. Mid Term Examination will be conducted in **September/October** and Common Annual School Examination (CASE) will be conducted in **February/March**.
2. Question papers in Mid-Term, Preboard & Annual Exam shall be set in a manner to assess the Comprehension, Competencies, and other skills as directed by CBSE.
3. Aligning with NEP 2020, the policy is insisting on Multilingualism wherein the focus is on the Third Language taken up by the student up to Class VIII.

A student shall not be eligible to appear for the Class X board unless he/she had passed the third language in Class VIII.

5. For Classes III to IX weightage is given to Periodic Assessments, Multiple Assessments, Portfolio, Subject Enrichment Activities along with Mid Term & Annual Examinations.
6. For Class XI, the weightage includes Mid Term Examination & Annual Examination along with Practical/Project/Internal Assessment.
7. Class XI and XII is an integrated course. Students need to take only those subjects (Valid Subjects Combination-issued by CBSE) in class XI which they intend to continue in Class XII.

For further clarity, parents can go through the DoE circular by clicking the given link DE.5/212/Exam/16-17/Part 1/365-374.

Looking forward to your continued support

Stay safe and stay blessed!
