REVISION OF FEES FROM ACADEMIC SESSION: 2019-20 ONWARDS FOR IMPLEMENTATION OF RECOMMENDATIONS OF 7TH CPC

Dear Parents,

1. At the outset, we thank you all for the wholehearted support being extended to the School in its efforts to provide quality education to your wards over the years.
2. During October 2017, Directorate of Education (DoE) vide its **ORDER** bearing No. D.E. 15(318)/PSB/2016/19786 dated 17th October 2017 directed to implement the recommendations of 7th Central Pay Commission (7th CPC) in respect of staff members of the school with effect from 01st January 2016 and permitted all private schools for hike of fees accordingly. But later order was stayed.
3. Now after a gap of 16 months, Hon'ble Delhi High Court, in its order dated 15 March 2019, has allowed all private schools of Delhi to increase their fees as per the requirement for implementation of 7th CPC recommendations.
4. It is pertinent to mention here that JKPS is committed to providing quality education through ensuring competitive staff. Thus, the implementation of the recommendations of 7th CPC will add to our competitiveness by retaining and engaging quality staff.
5. You are aware that the School has not increased any fee for last two years. Previously the School had hiked only 10% tuition fee w.e.f. April 2016 after prior sanction of Director of Education, Govt of Delhi.
6. Therefore, in compliance to the Hon'ble Delhi High Court's Order dated 15 March 2019, the School Managing Committee has decided to implement 7th CPC recommendations w.e.f. 01 April 2019 by increasing 30% tuition fee. However, this hike would not suffice as the school will still face deficit of 9% which will be met from the development fund without making any statutory reserves.
7. Accordingly, we have increased the tuition fee and development charges only keeping the annual charges same w.e.f. 01 April 2019. Fees structure of various classes has been computed/ calculated and reflected in the following table for an elaborate analysis:-

Class	Monthly Tuition Fee			Development Charges		
	Existing	Revised	Difference	Existing	Revised	Difference
Pre-School & Primary	3815	4960	1145	520	745	225

8. Once again thank you for your whole hearted continuous support and we also assure you our best in providing quality education to your wards.
