New Year's Eve

‘Celebrate endings for they precede new beginnings. You’ll never get bored when you try something new.
There’s no limit to what you can do.’

A journey of a thousand miles begins with a single step. The start of a new year is one of the best opportunities to turn a new page in your life. The new year offers a fresh start for everyone to change bad habits and establish good ones. Life's not about expecting, hoping, and wishing, it's about doing, being, and becoming. Keeping this in mind, an assembly on the topic ‘New Year’s Eve’ was held on 30 December 2022 for the students of classes VIII–XII.

The assembly began with the ‘Shabad’ that filled our hearts with gratitude and humility followed by the thought for the day and the domestic and International news headlines. The students presented an enthralling skit on the topic ‘New Year Resolutions’ where they took resolutions that this year they will be nice, kind, and more compassionate to others, especially to their loved ones. They pledged to give time to their families, and help everyone around them but most importantly they will respect their elders, protect the environment and take care of the nation. The Jaspalians then presented a debate, a speech, and a declamation in which they discussed the importance of discipline, the importance of righteousness, and the responsible use of mobile phones. The students recited a poem on the topic ‘New Year’ and discussed the importance of confidence, sincerity, and hard work to make the most of their time and opportunities. The students of class VIII D joyfully gave a dance performance.

The thankful heart opens our eyes to a multitude of blessings that continually surround us. We must be thankful for what we have and we'll end up having more. At the culmination of the assembly, the students of class VIII D gave a thanksgiving speech to the principal ma'am, headmistress ma'am, and all their esteemed teachers. In the spirit of the season, they took a moment to share how thankful they are for the incredible role models they have met along the way by presenting a thank you card.

Culminating the event, headmistress ma'am, Ms. Shikha Dhameja addressed the assembly and welcomed the beginning of the academic year 2023. The edifying and prudent words of the headmistress ma'am enlightened the students to never give up in life and face the challenges bravely, manifested in a story that left everyone spellbound. Her golden words were resonating everywhere ringing in positivity and exuberance. Overall, It was a day filled with fun and learning!
