VIVEKANANDA PAATHSHALA- DECEMBER 2022

‘Education is not preparation for life; Education is life itself.’

The month of December 2022 was full of vigor and great indoor recreational activities for our beloved students of Vivekananda Paathshala. JKPS students along with the faculty members facilitated in their general learning and reasoning skills throughout the month.

Multiple interactive teaching learning sessions were organized with the students where they were taught using integrated teaching methods focusing on their holistic development. To keep the

classes fun and lively, the faculty members also organized a variety of activities for them where they could learn while having fun.

General awareness about anti-bullying among teenagers and children were some of the topics emphasizes upon in the sessions taken by the school's special educator which helped a lot of students be vigilant of their surroundings and be well equipped in dealing with challenging situations if they ever arise.

Lastly, the birthdays of some students were celebrated and everyone had a gala time as they enjoyed having snacks, dancing to the music and opening up sweet little tokens of appreciation from JKPS.
