

## CAN SUPPORT: RATION SUPPORT FOR CANCER PATIENTS

*“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.”*

*-Margaret Mead*

Over the years, JKPS has continually offered support to cancer patients. JKPS staff and students have always been a part of awareness campaigns and Can-support walks. Keeping alive this heritage of community service, the JKPS family has again given ration contributions for cancer patients. At JKPS, we are committed to helping those in need and supporting social causes. To continue to serve cancer patients and help them live a life of dignity, the entire JKPS fraternity contributed to this noble cause.

These cancer victims are kids who stay in a daycare. So, JKPS decided to take care of their health and nutrition. Keeping this in mind, we contributed 20 Milk powder packets and 90 Horlicks/ Bourn Vita packets. We are also providing curtain material for their office use. As a part of a community, it becomes our responsibility to take care of our fellow beings. These kids are suffering and going through a difficult phase in their lives and Jaspalians are always ready to stand for their support.

With love and care in our hearts, we extend our support and will keep on doing so. Humanity stands above all, and these tiny cancer patients are more than valuable to us.
