

CERTIFICATE OF APPRECIATION

'CanSupport Walk for Life- Stride against Cancer'

Jaspal Kaur Public School has been honoured with a **Certificate of Appreciation for joining the global fight against cancer by supporting 'CanSupport Walk for Life- Stride against Cancer' on Sunday, 4 February 2024.** This award serves as a testament to the dedication and hard work of students, teachers, parent volunteers, and Community Outreach Team involved in participating in the event.

In the Cancer Walk, we find our strength,

As we walk together, mile by length.

With determination in our stride,

we'll conquer obstacles far and wide.

Through our collective efforts, we not only raised funds for cancer support programs but also raised awareness about the importance of early detection and prevention. We are grateful for the opportunity to make a meaningful difference in the fight against cancer and look forward to continuing our efforts to support this cause in the future.

The efforts of our Community Outreach Programme have exemplified the spirit of compassion, generosity, and service that defines our school community. We are proud of the impact we have made and remain committed to continuing our efforts to make a positive difference in the lives of others.
