

Confluence Mega Career Fair and Meet

The Confluence Mega Career Fair and Meet, held at the Sirifort Auditorium on October 18, 2023, was designed to be a pivotal resource for Class XII students, offering essential guidance for their academic and professional journeys.

Notable speakers at the event included esteemed career counsellor Jatin Chawla and clinical psychologist Dr. Aruna Broota, who shared valuable insights on navigating board exams, understanding emerging career paths and entrance exams, planning for college admissions, and exploring opportunities for studying abroad.

This comprehensive event served as a dynamic platform for Class XII students, providing them with crucial insights into various aspects of their academic and professional futures. From strategies for excelling in board exams to exploring new and emerging career options, planning for college admissions, and considering international study opportunities, The Confluence Mega Career Fair and Meet covered a wide spectrum of relevant topics.

The aim was to empower students with the knowledge and tools needed to make well-informed decisions about their future endeavors. With its holistic approach to career guidance and access to pertinent resources, the career fair aspired to equip students with the confidence and capability to navigate the multifaceted landscape of educational and professional choices.
