

GOONJ- AUGUST 2023

“Do your little bit of good where you are; its those little bits of good put together that overwhelm the world.”

JKPS has always contributed to society in various ways through its community service initiatives. One such initiative is ‘Goonj.’ A small gesture from Jaspalians reached out to the people in need. The Goonj contribution campaign, which JKPS organised, aimed to provide some essential things to the underprivileged. The program aimed to give things to children who need some basic amenities. Jaspalians extended their contribution by giving Clothes, Books, and uniforms to the needy children.

JKPS has always encouraged the students to give out in the society as these good deeds build a person’s character as well doing good deeds make you feel happy and content. These values of giving are inculcated in Jaspalians, which gets reflected in their contribution.

Giving Clothes, Books and uniform helped the children as they got the desired resources required by them. Jaspalians never leave a chance to give back to the society and we abundantly want to help people. The Community Outreach Programme at JKPS ensures that no segment of society is unsupported by our organisation.
