

HIMACHAL FLOOD RELIEF CAMP

“Remember, there is no such thing as a small act of kindness. Every act creates a ripple with no logical end.”

In collaboration with **Khalsa Aid**, JKPS organised a Flood Relief Camp from 22nd- 26th July 2023, wherein students **contributed essential products** like Dry Ration, Toiletries, First-Aid boxes, Raincoats, utensils etc. Since parts of multiple Indian states are being devastated by floods, Khalsa Aid took up this initiative of mobilising essentials and the JKPS family never leaves a chance to help the people in need.

Parts of Himachal Pradesh and the neighbouring states have been devastated by floods. Thousands of individuals have been impacted by the persistent and severe rains. Houses, crops, and cattle have been destroyed by floods and landslides, disrupting daily life. Families have been evicted onto the streets because homes are under water, dirt, and grime. Khalsa Aid is trying to reach out to the disaster-impacted people and communities.

JKPS always takes a stand for its fellow beings and that is the prime reason, **JKPS joined this initiative** by asking its students and teachers to give their contribution towards this noble cause. The students actively gave out the listed materials and the Community Outreach Team at JKPS is assisting Khalsa Aid to mobilise these essentials.

We hope our small contribution will make a difference!
