

JKPS in Collaboration with Indian Association for the Blind

“That's what I consider true generosity: You give your all, and yet you always feel as if it costs you nothing.” — Simone de Beauvoir

Jaspal Kaur Public School organized a collection drive in collaboration with Indian Association for the Blind from **22nd- 26th July, 2023**. Indian Association for the Blind has been providing comprehensive rehabilitation, education, and employment opportunities to empower visually challenged people to become self-reliant since the last 38 years. They help **Redefine Abilities** and **Rescripting lives** for people suffering from Visual impairment.

They help students with:

- Education
- Career and skills training
- Residential Services
- Support Services
- Employment

The International Association for the Blind (IAB) celebrated **International White Cane Day** in 2022, in which JKPS extended its contribution. This year again they are celebrating this day, **aiming to raise awareness about the potential and difficulties faced by visually challenged individuals.**

JKPS feels immense pleasure to be a **part of such noble cause.** The staff members contributed with open arms and monetary support was provided to IAB, to support the education and rehabilitation of visually challenged people.

The support was necessary, as JKPS has always supported inclusion and diversity. We have promoted providing equal opportunities to all. We are overwhelmed that we got to share our blessings and it was a very inspiring experience for us.
