

Report on Cancer Awareness Session for students

The Cancer Awareness Workshop held at Jaspal Kaur Public School on 19th January 2024 aimed to educate and empower students with knowledge about cancer prevention, early detection, and support for those affected by the disease. The workshop was led by renowned cancer awareness advocate, Ms. Manju Bhatnagar, and aimed to increase awareness and educate students about cancer prevention, early detection, and support.

The workshop was an enlightening experience for the students. The workshop covered the basics of cancer, its types, and how it develops. The speaker tried dispelling common myths and misconceptions about cancer. She also covered risk factors and Prevention. She guided the students towards adopting a healthy lifestyle. She also educated the students on recognizing early signs and symptoms. She emphasised the importance of regular check-ups and screenings.

The school administration expressed their gratitude to Manju Bhatnagar for her valuable contribution and recommended organising such sessions periodically to reinforce the importance of cancer awareness and prevention.

Overall, the workshop was a resounding success, leaving a lasting impact on the students and raising their awareness about cancer. JKPS hopes that the knowledge gained from this session will inspire positive actions and contribute to a healthier and more compassionate society.
