

VISIT TO UPASANA SPECIAL SCHOOL

“Small acts, when multiplied by millions of people, can transform the world”.

The JKPS fraternity, keeping our motto in our hearts, Shubh Karman Te Kabhoo Na Taro, has always tried to put our best foot forward in empathizing and understanding the needs of neurodiverse learners. Our young Jaspalians paid a visit to Upasana Special School on 18 April 2023 to observe the campus, understand the functioning of the school and contribute our part in helping the children studying in the school.

The students of our school conducted various gross motor activities for specially-abled learners and supported them with various needs. The campus was well-maintained, and Jaspalians interacted with the students and the principal of the school.

Upasana special school caters to neurodiverse learners. Besides providing various therapies, they provide skill development training for employment purposes to persons with disabilities.

Our school students distributed stationery items including notebooks, and sheets to help the children with their basic scholarly pursuits. All the young minds present there exhibited such amazing talents and reflected hope and love in their eyes. It was truly a pleasure to share a few moments with all of them!
