

Career Workshop on Mass Communication and Journalism

A career workshop on 'Mass Communication and Journalism' was held at Jaspal Kaur Public School on 15 May 2023 for the students of classes XI and XII.

The speakers of the workshop, Dr. Parul Mehra, an adjunct senior faculty with India Today's Group and a former journalist of renowned national channel AAJTAK along with Harjeet Singh Kukreja, founder of TSTCREW.COM commenced with an introduction to Mass Communication and Journalism. The students were told about the various fields of Mass Communication and Journalism, including Print Journalism, Broadcast Journalism, Advertising, Public Relations, and New Media.

The students were told about the opportunities in the field of Mass Communication and Journalism both in India and abroad. The career workshop was well received by the students. They were provided with valuable insights into the field and the opportunities available in the area.
