

Workshop on Bully to Buddy

The "Bully to Buddy" workshop conducted by the school counsellor for classes VII and VIII on 10 July 2023 and 14 July 2023 was an informative and valuable initiative. The workshop emphasized the importance of effectively identifying and reporting bullying while providing the students with techniques to deal with it positively: the role-playing exercises and interactive nature of the workshop aided in the successful engagement of the participants. Students also took an anti-bullying pledge. Overall, the workshop was a success and aimed to create awareness among the students about bullying and how to handle it positively.
