

Class Assembly on Independence Day

On the occasion of India's 78th Independence Day, the students of Class IV-D presented a special assembly that resonated with patriotism and pride. The assembly commenced with a soulful 'Shabad' that infused the atmosphere with positivity. The prayer meeting aimed to inspire students with a message of new enthusiasm, hard work, and perseverance, highlighted by a thought from Swami Vivekananda. To enhance vocabulary, two new words were introduced along with their meanings and sentences. In celebration of Independence Day, the students recited a poem, delivered a speech, and performed a short play, all centred around the theme of freedom, which energized the assembly hall with zeal and pride. The assembly concluded with our respected principal ma'am offering valuable insights on the program and engaging the students in a discussion about their views on freedom. The event concluded with the national anthem, leaving everyone enriched and inspired by the experience.
