Jaspal Kaur Public School has been recognised as the best school in the 'Community Service' category for the second consecutive year in the North India School Merit Awards 2024, conducted by Education Today. This prestigious honour celebrates our unwavering commitment to community outreach and social responsibility.

We are deeply honoured to receive this award. JKPS has consistently aligned its vision, "Shubh Karman Tey Kabhoo Na Taron," with our mission to enhance society. JKPS has always prioritised academic excellence while fostering 'Jaspalians' who contribute to their community and exemplify kindness, empathy, and gratitude.

Since its inception, JKPS has focused on educating students about the needs of the local community. Jaspalians have always strived to spread the Magic of Kindness through their dedication to community service.

These endeavours have borne fruit today. The recognition of our hard work by "Education Today" magazine has further inspired us to continue advancing society. Over the years, JKPS has implemented various initiatives that have culminated in this achievement. **These efforts include community engagement, promoting social responsibility, environmental stewardship, collaboration with parents and students, educational diversity, cultural and diversity awareness, Goonj drives, Langar Sewa, lockdown relief efforts, and relief camps, among others.** Additionally, **Vivekananda Paathshala** has been the cornerstone of our community engagement program.

We are thrilled to receive such a prestigious award, which motivates us to redouble our efforts and contribute even more. JKPS is committed to sustaining these initiatives, working towards sustainable goals, and continuing to be recognised for our contributions.
