JKPS Walks for a Cause: Uniting for Cancer Awareness and Support

“Every step taken is a step towards hope. Every stride made is a pledge for change.”

Continuing its unwavering commitment to social responsibility, Jaspal Kaur Public School actively participated in the annual Walk-a-thon organised by CanSupport on 16th February 2025 at Jawaharlal Nehru Stadium. Ten dedicated students, one inspiring alumnus, two supportive parents, and two alumni parents joined hands to raise awareness and offer encouragement to those battling cancer.

JKPS has been associated with CanSupport, an NGO dedicated to enhancing the quality of life for cancer patients and their families, for several years. The school has been a proud participant in their flagship event, “Walk for Life,” reinforcing its commitment to SDG Goal 3 (Good Health and Well-being) and SDG Goal 17 (Partnerships for the Goals).

Leading the JKPS contingent was Mr. Nirose Rana, along with several enthusiastic student volunteers and alumni who returned to contribute to this noble cause.

Clad in customized JKPS t-shirts and carrying banners with messages of resilience, hope, and encouragement, the participants walked the designated route, engaging in meaningful discussions about the importance of early detection, treatment accessibility, and emotional support for cancer patients. The event fostered an inclusive atmosphere, where individuals from diverse backgrounds came together to champion a common cause.

The walk became even more impactful as students and parents shared heartfelt stories about their personal experiences with cancer, either as survivors or as supporters of loved ones who had battled the disease. These reflections added a deeply personal and emotional dimension to the event, reinforcing the significance of collective action in fighting cancer.

The school's ongoing efforts align with the principles of empathy, service, and social commitment, shaping responsible global citizens who recognize the importance of giving back to society.

With every step taken, JKPS reaffirmed its dedication to building a compassionate and socially responsible student body. The event was a powerful testament to the fact that change begins with awareness, and progress is made through unity.

The Cancer Walk not only strengthened JKPS's bond with CanSupport but also left an indelible mark on the hearts of all participants, proving that when a community walks together with a purpose, it can truly make a difference.
