

"Serving with Heart, Winning with Pride – JKPS Bags Top Rank"

Jaspal Kaur Public School, Shalimar Bagh, feels deeply humbled to share that our school has been **Ranked No. 1 in New Delhi for Community Service** in the **North India's School Merit Awards 2025** by Education Today. This recognition is not just an award but a reflection of the values of care, compassion, and selfless service that we strive to nurture in Jaspalians every day.

At JKPS, we believe that true education goes beyond classrooms and textbooks. Our students and staff regularly take part in activities that help them connect with society and learn the value of empathy. Through **Vivekananda Paathshala**, Jaspalians not only conduct educational sessions but also build bonds of friendship with the students of Paathshala. They learn with them, share stories, and grow together, creating an atmosphere of joy, trust, and mutual respect. Visits to **special schools, rehabilitation centres** and **old age homes** encourage them to spread joy,

love, and companionship to those who need it the most. The school also organises **blood donation camps**, and provides essential supplies to **relief camps** in order to reach out to the communities affected by natural calamities like floods and earthquakes.

We are also grateful to collaborate with organisations such as **Goonj** and **Inch paper**, which give our students opportunities to contribute to wider social welfare initiatives on the other hand the **Blessing Funds** are the contributions made by our Jaspalians to help the people in need. These experiences shape them into compassionate individuals, teaching them responsibility, kindness, and respect for all.

This honour belongs to every student, parent, and staff member of the JKPS family who has walked on this path of service. For us, the award is not the destination but a gentle reminder of our responsibility towards society. We remain committed to nurturing young minds who lead with empathy, serve with humility, and grow into responsible citizens of tomorrow.
