Mindfulness

Stop, look, and listen." - This encourages children to pay attention to their surroundings and engage their senses.

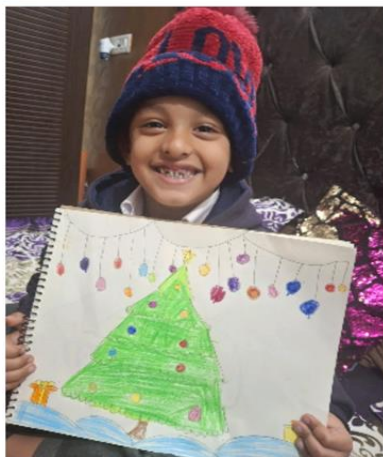

**"Breathe in
calm, breathe
out worries."**

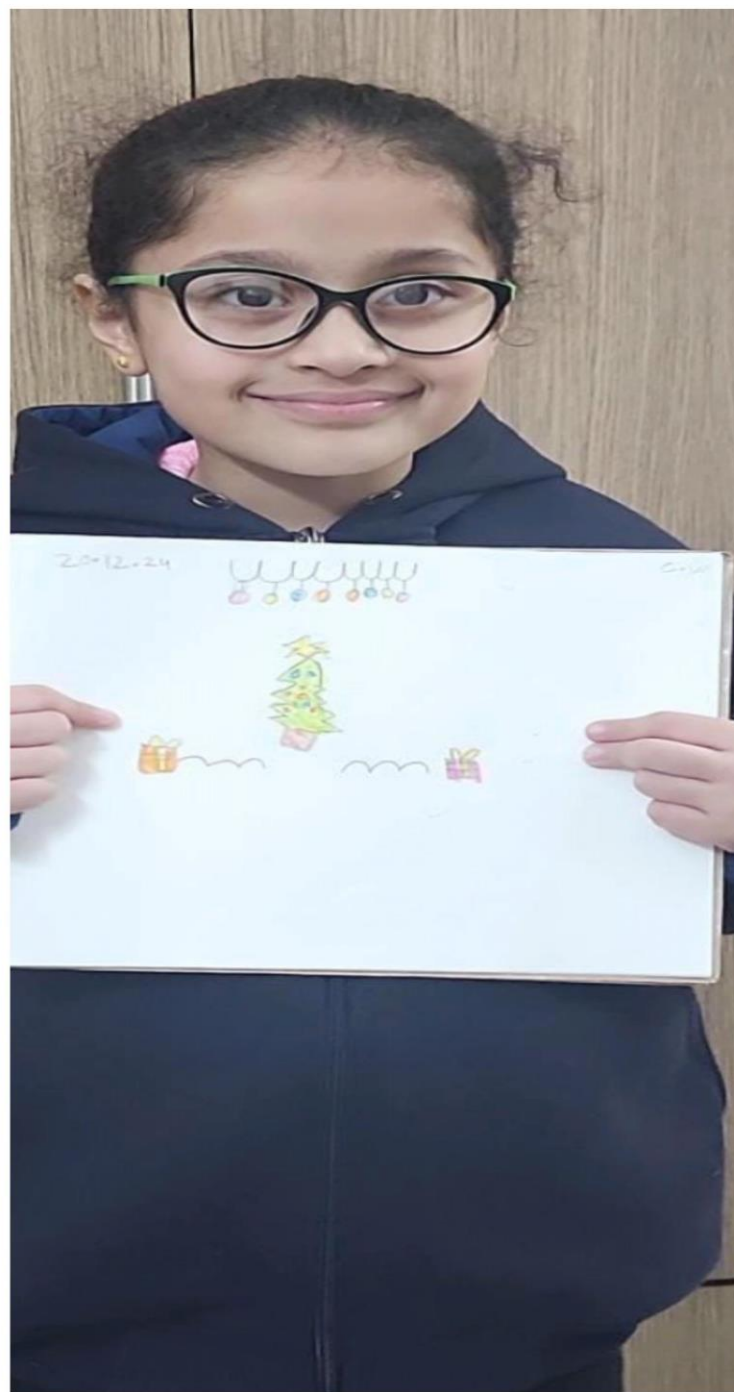

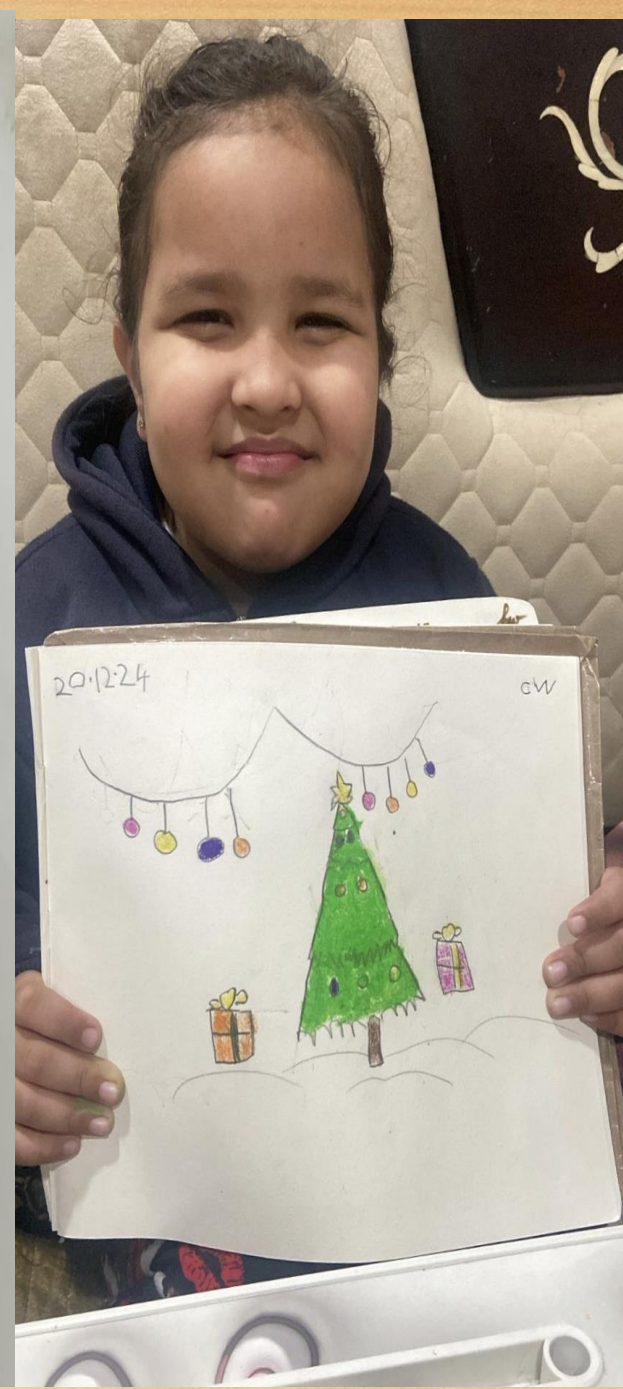

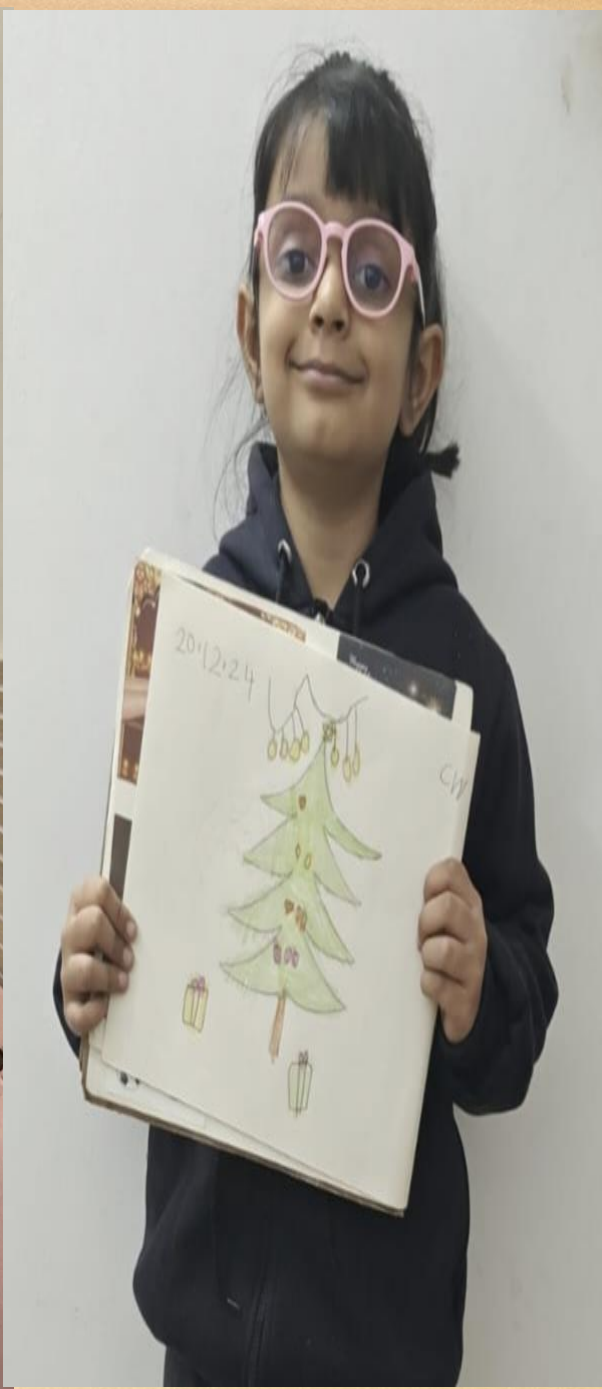

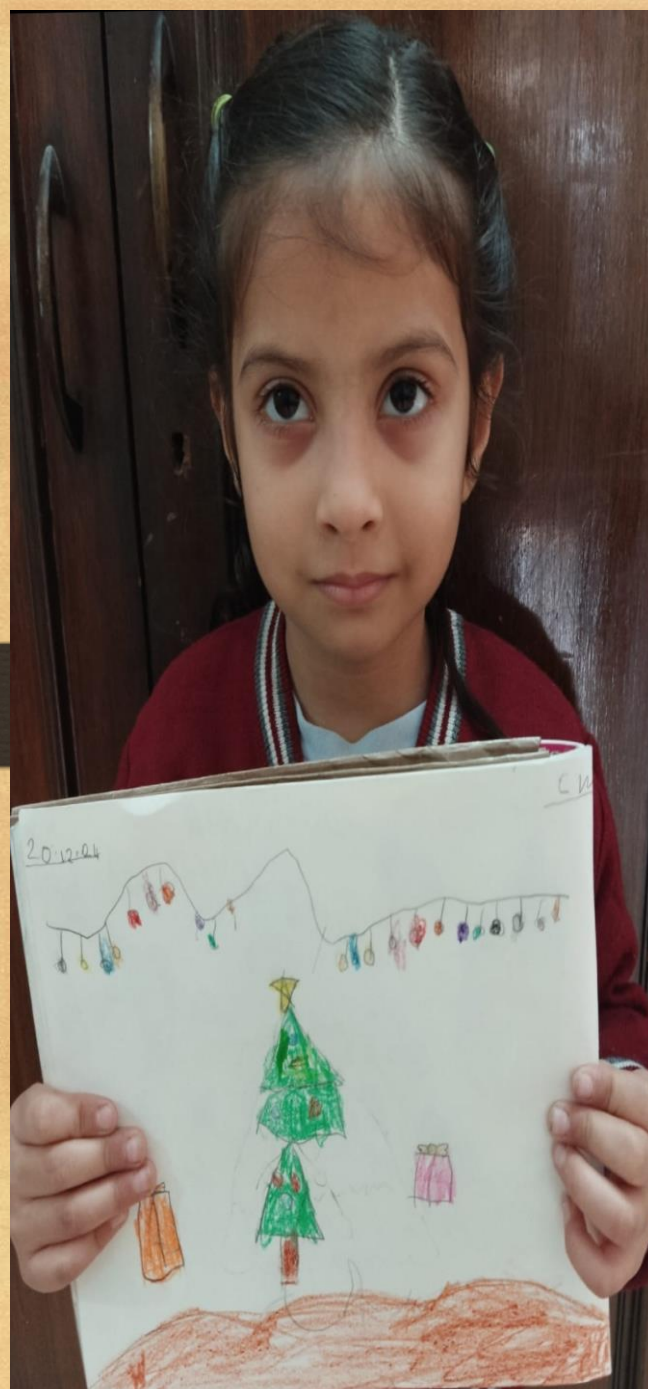

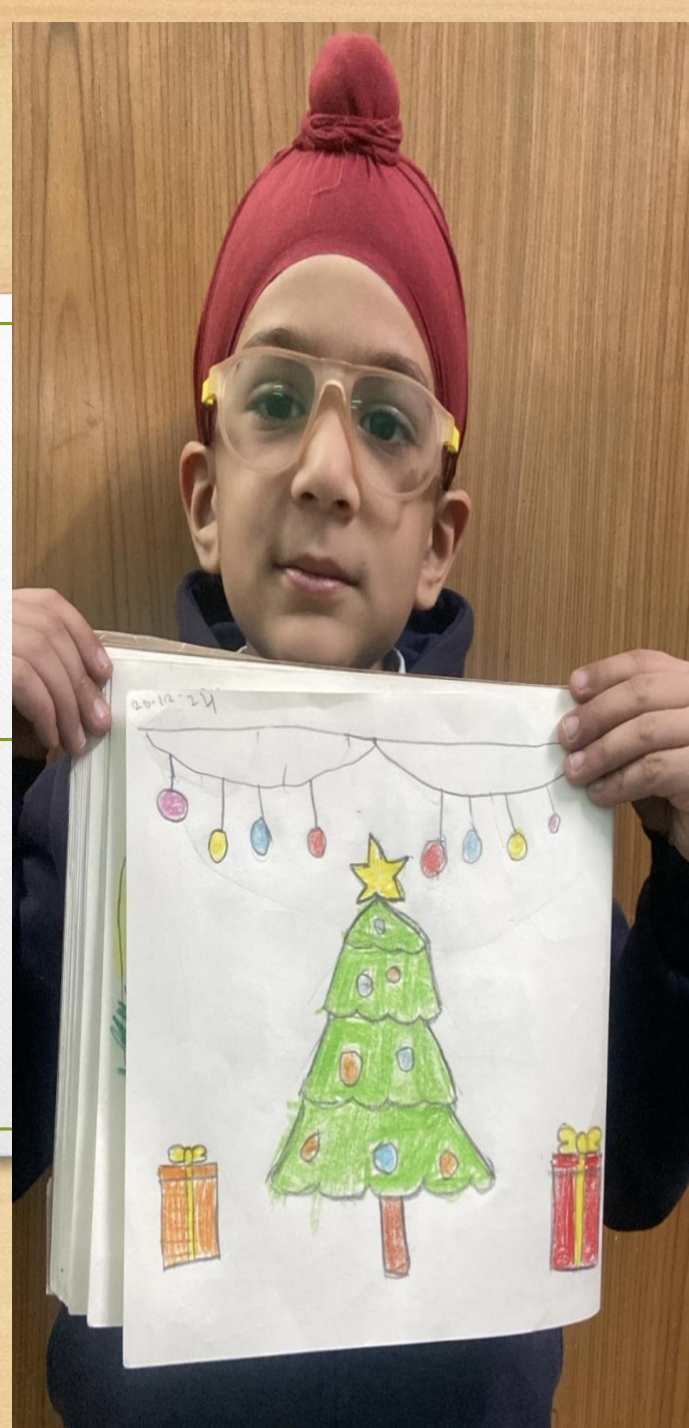

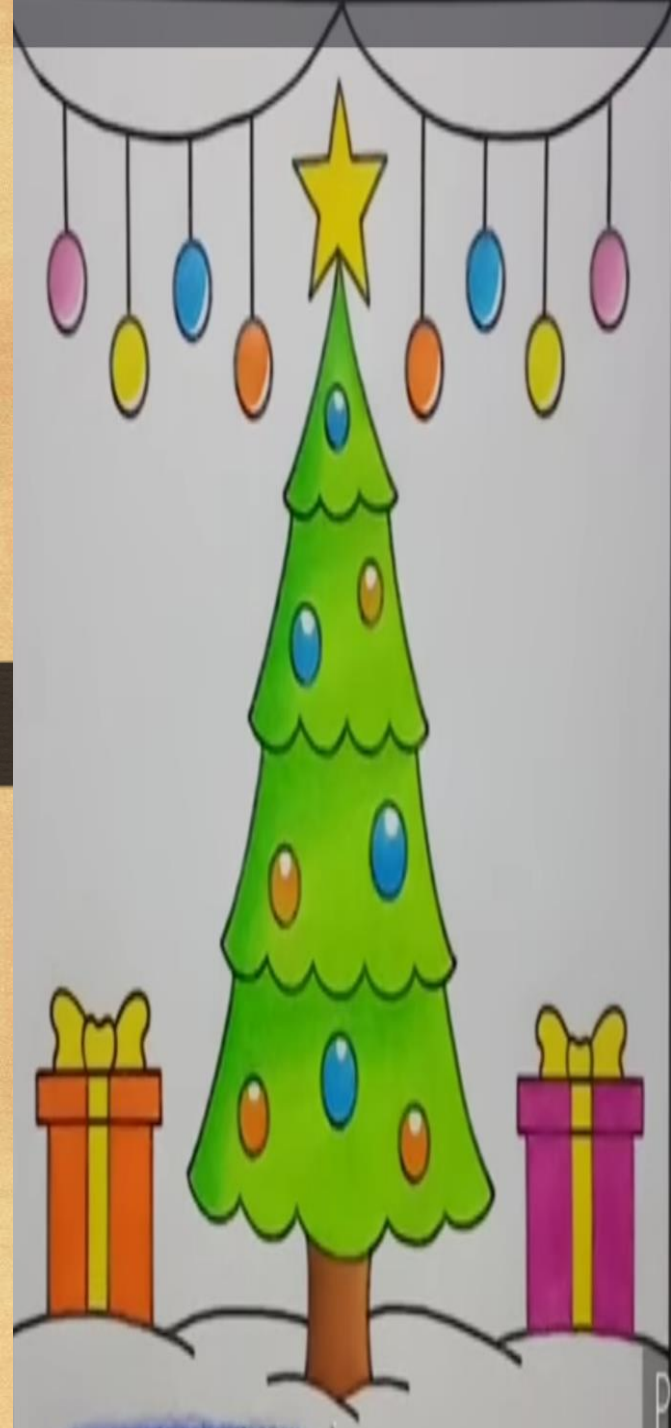

Festivities in creative galore

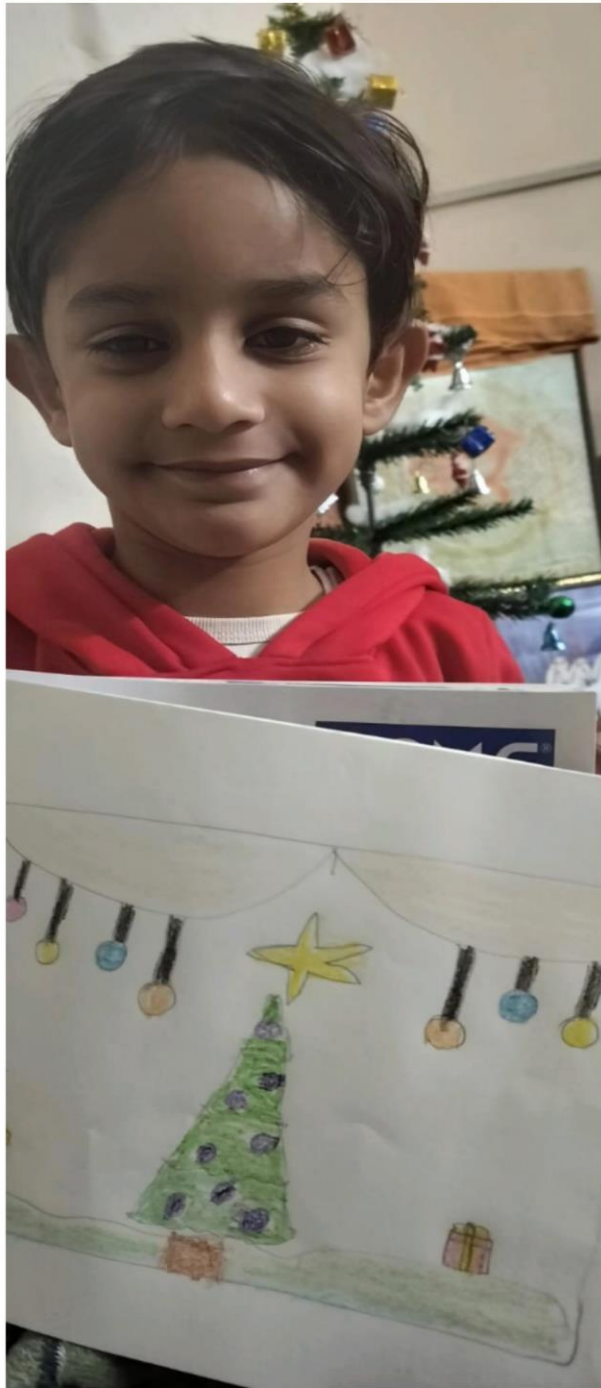

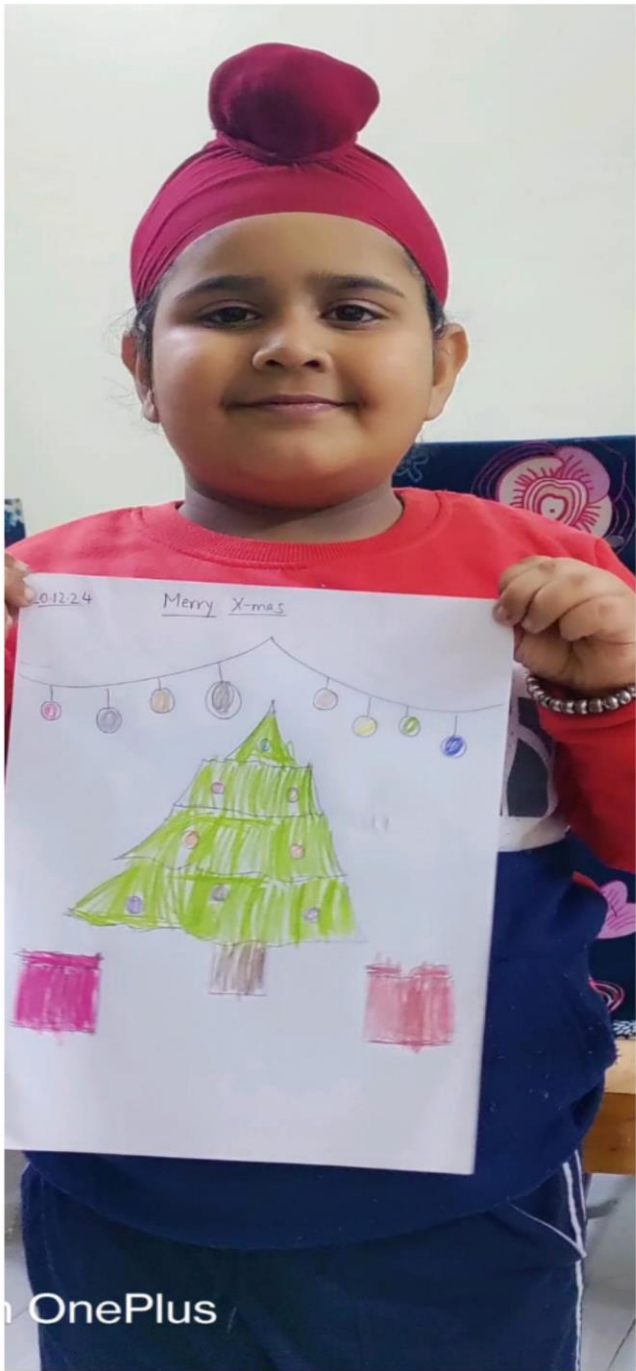

By engaging in Christmas drawing activities, kindergarteners not only have fun and celebrate the holiday season but also develop important skills that will benefit them in various areas of their development.

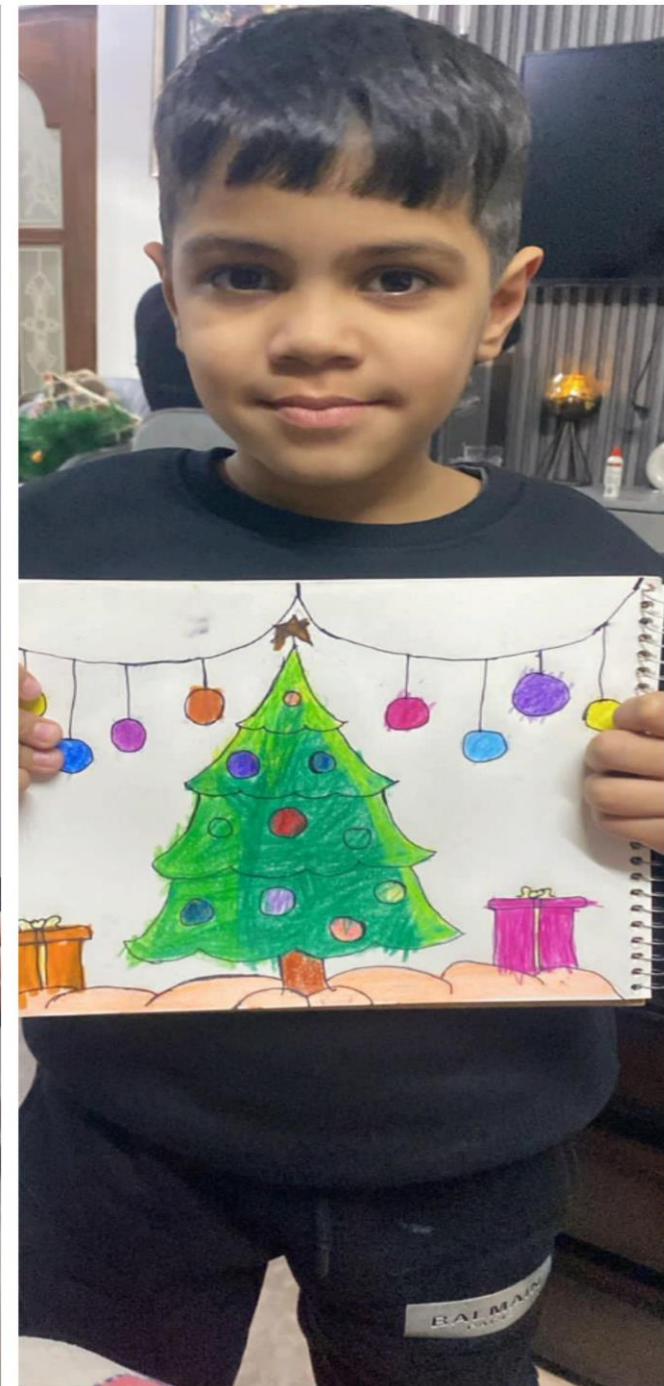

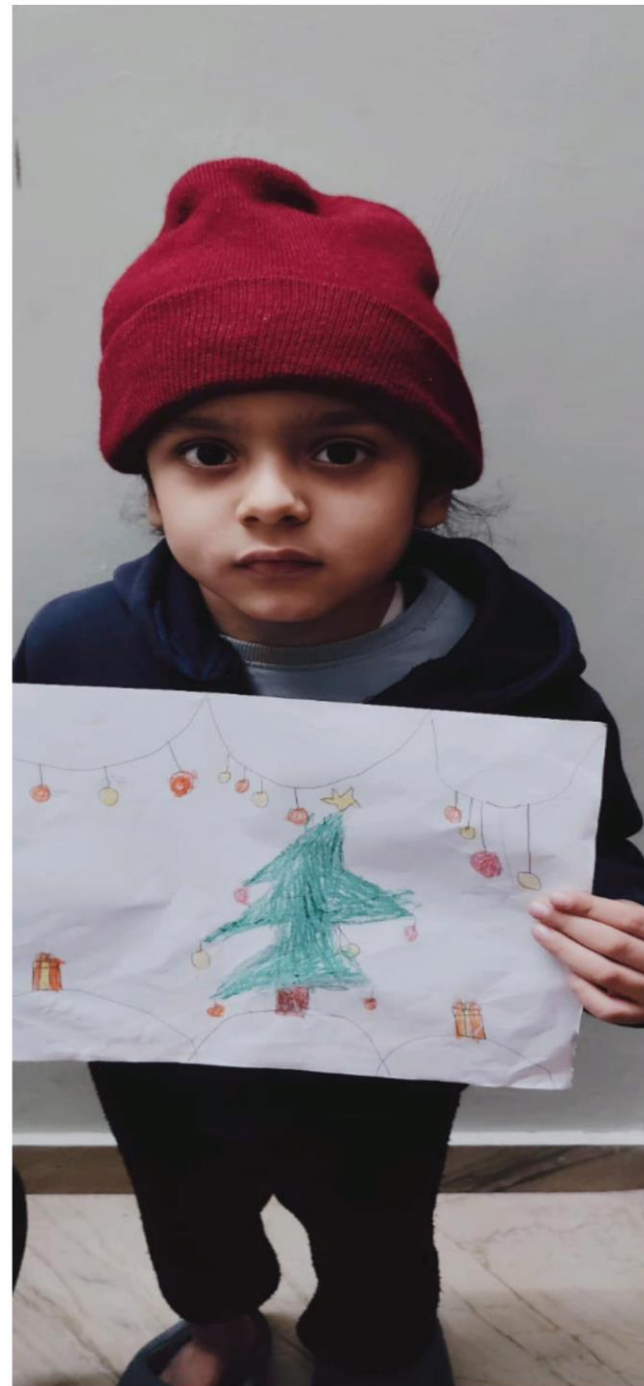

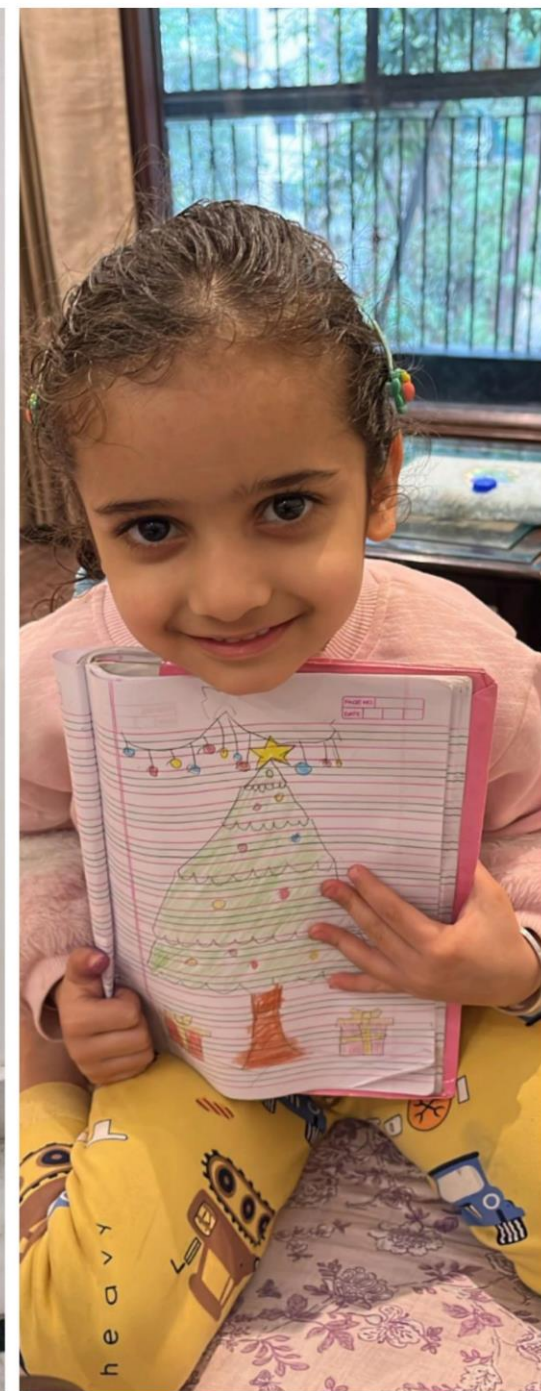

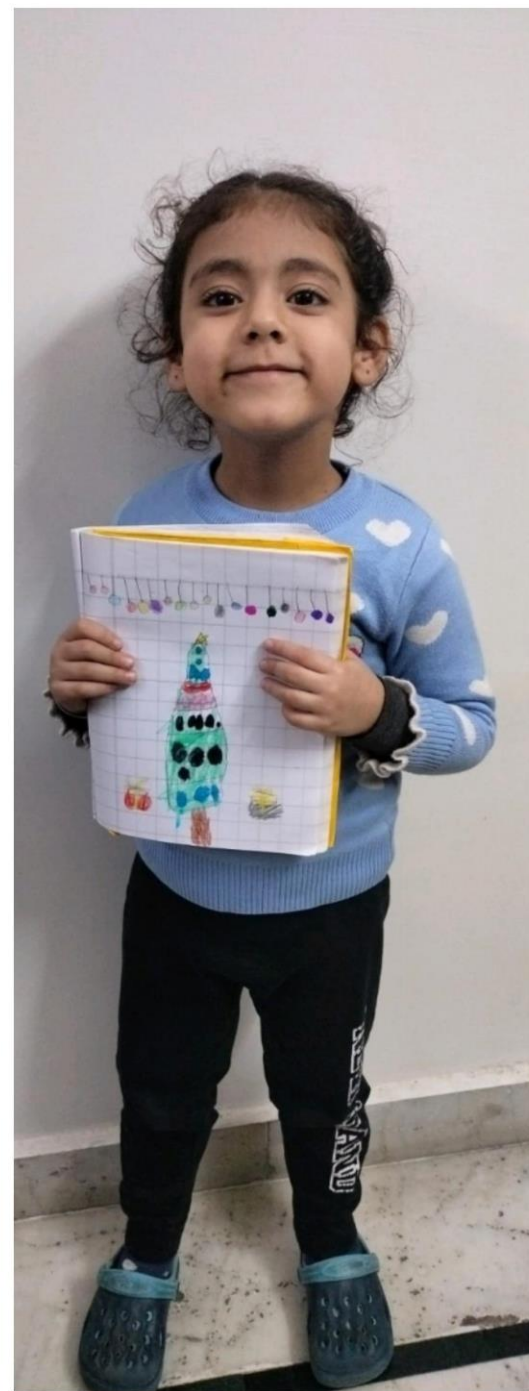

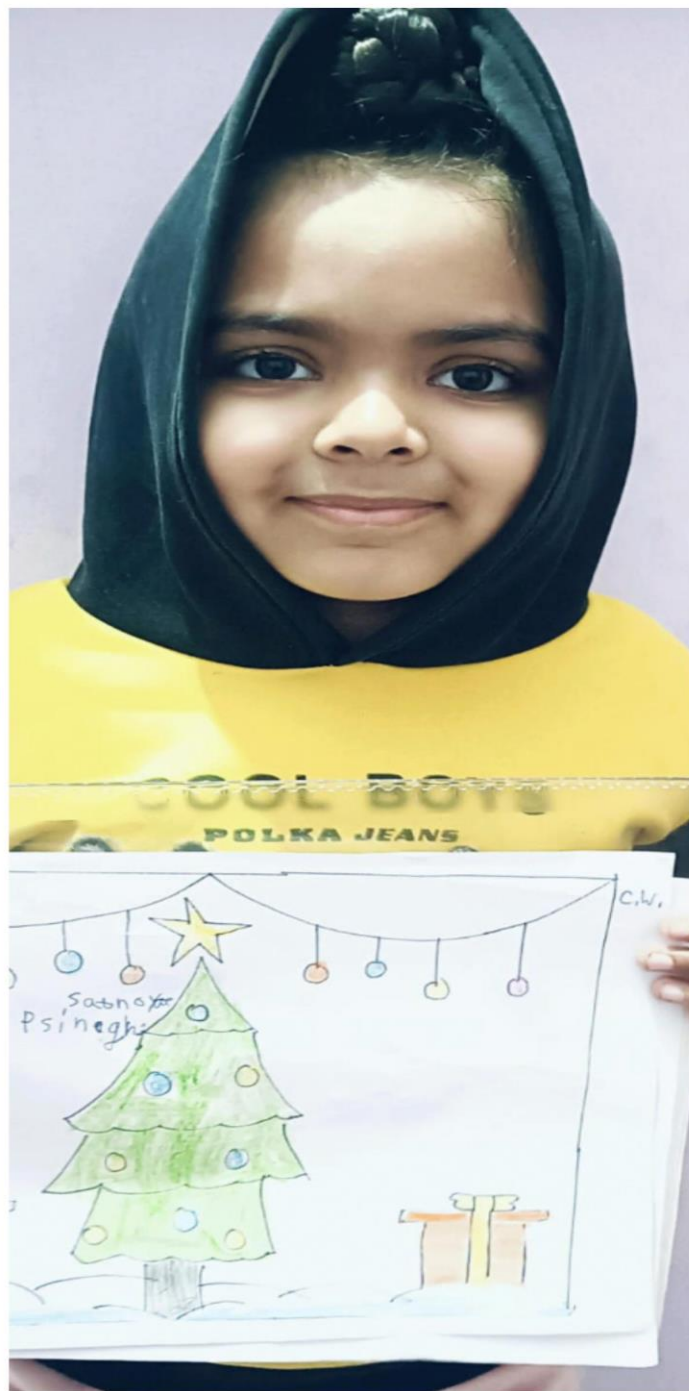

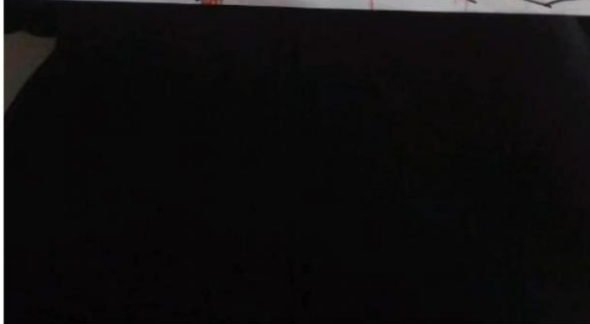

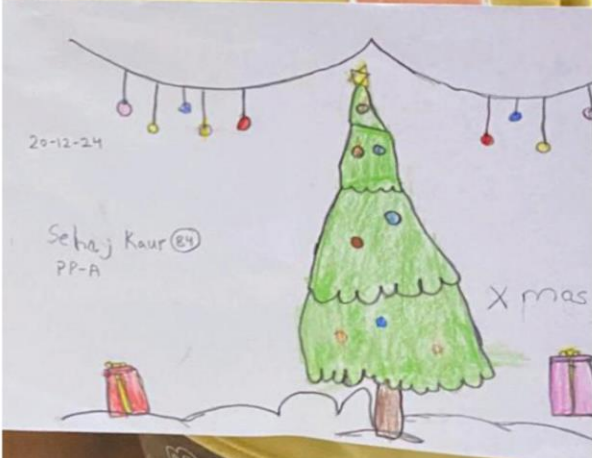

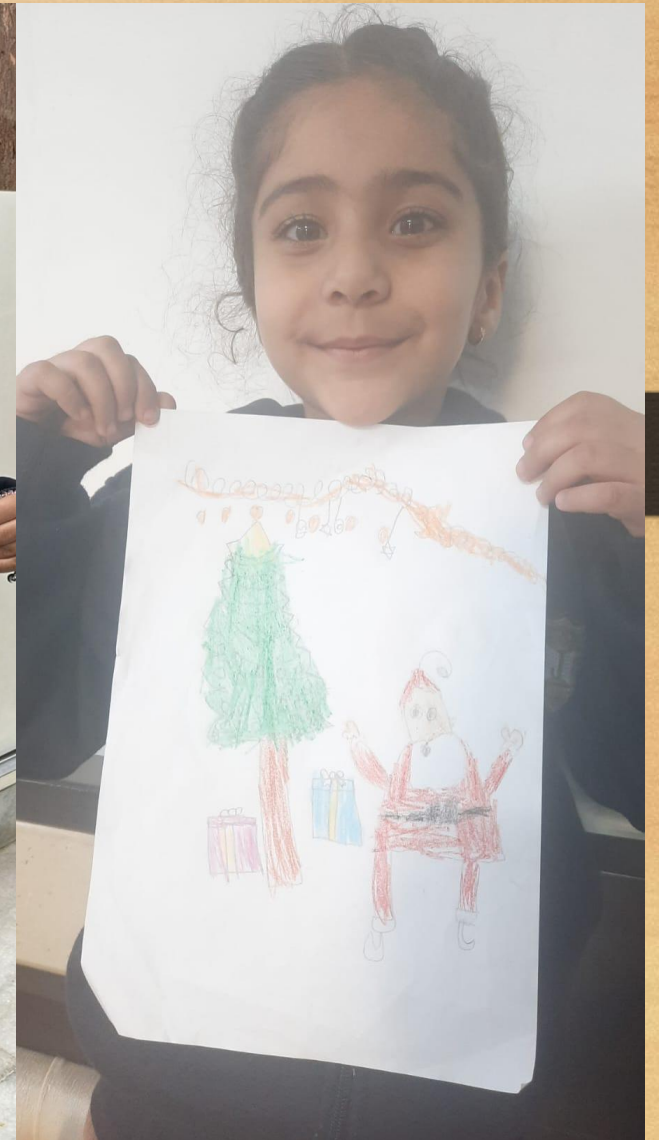

**Christmas
drawing activities
introduce
children to
different
Christmas
traditions and
symbols.**

Christmas is the time to spend some cherished moments with family and friends.

To help enhance the aesthetic and drawing skills with Christmas fervor, we had an activity for our students and they enthusiastically participated and enjoyed the activity

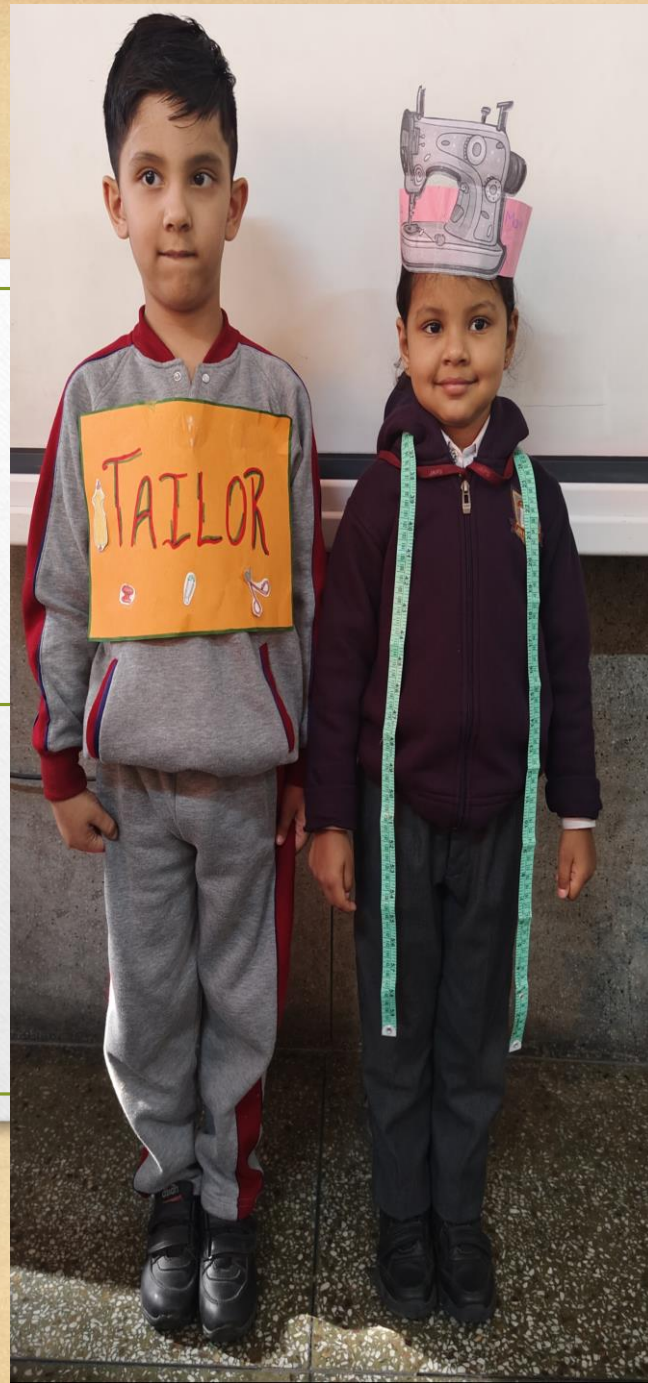

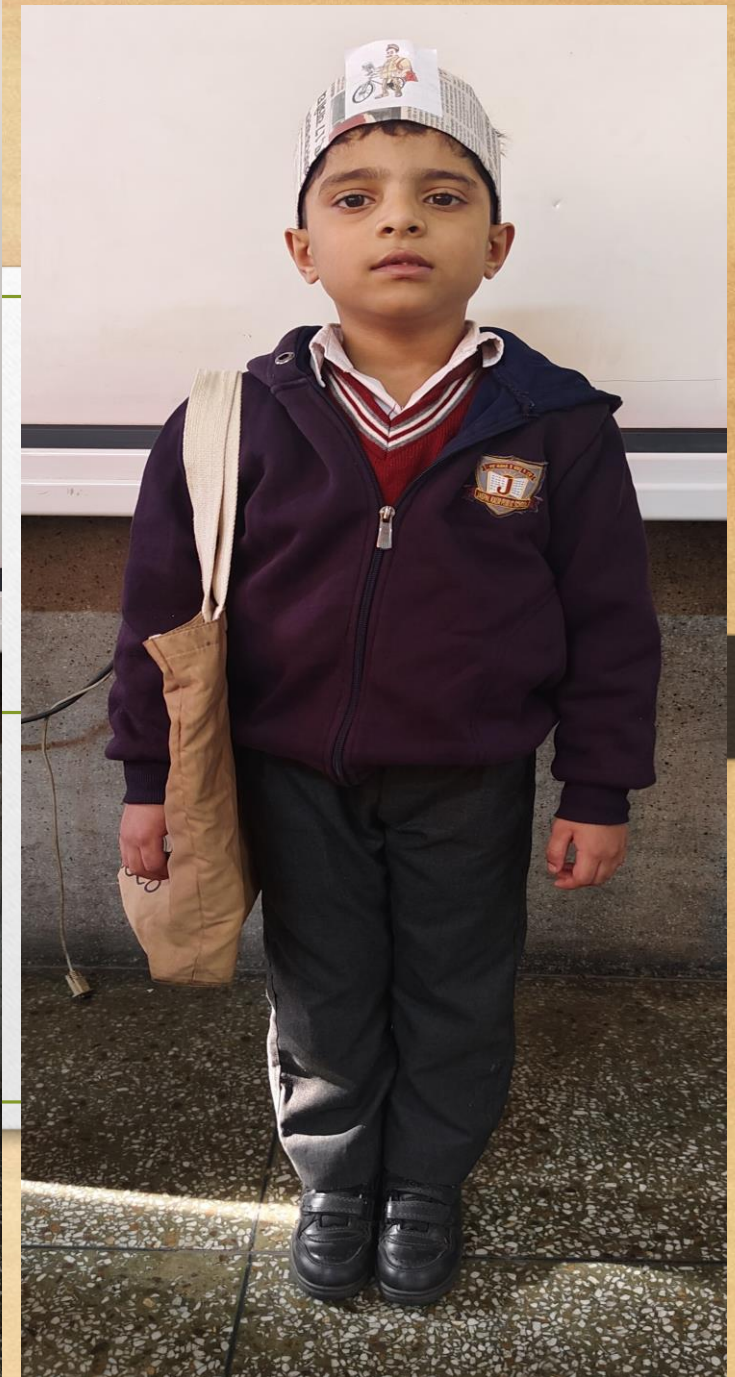

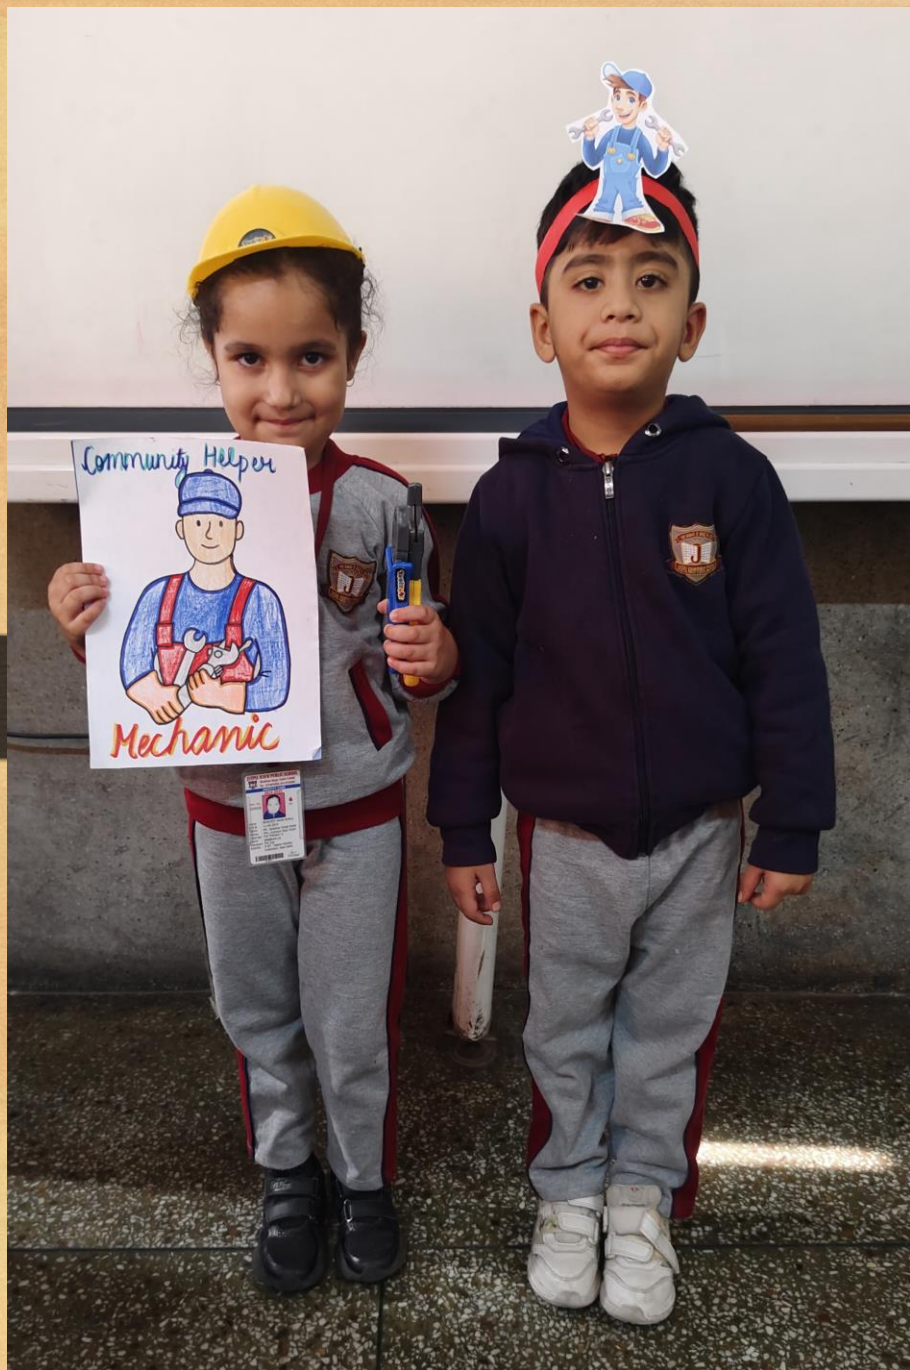

Show and tell Activity

Community helpers play an important role in our day today lives. In order to help students understand the importance of community helpers we had an interesting activity on 4th December

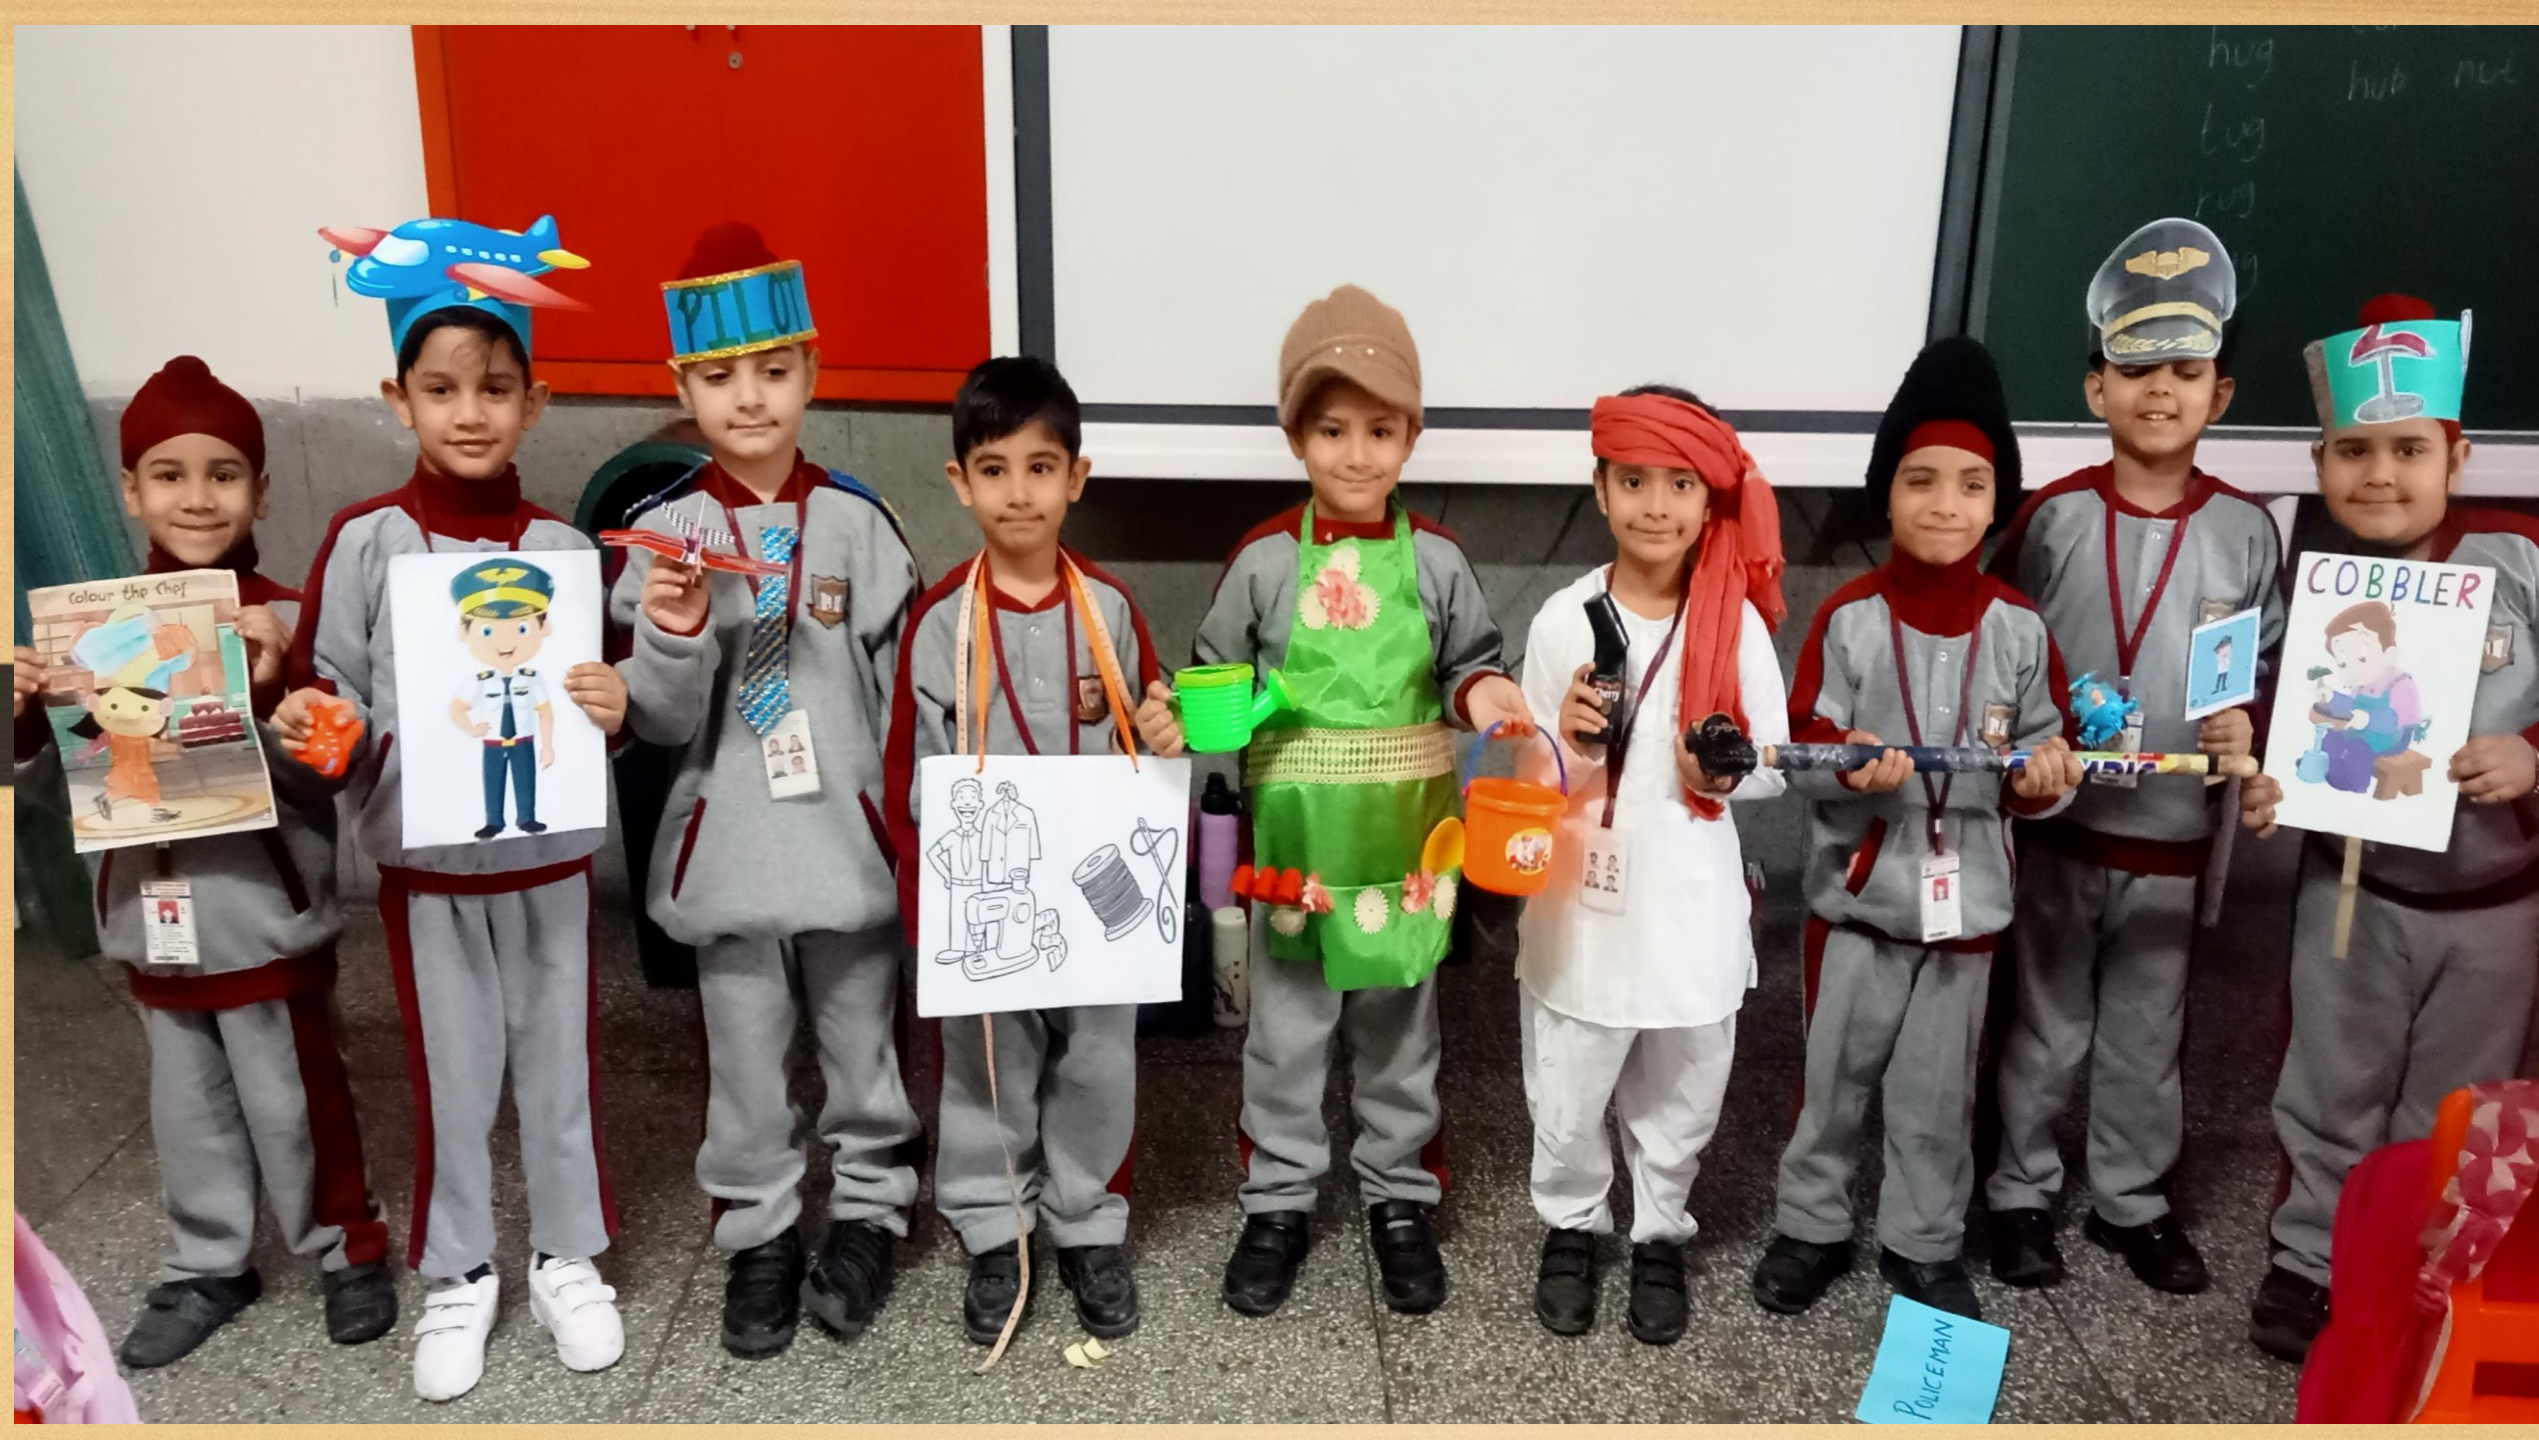

Community helper: Tailor

 Tailor	 scissors
 pin cushion	 measuring tape
 sewing machine	 pattern weights

Learning doesn't stop

Christmas and new year celebration was done on virtual mode
Virtual learning can allow children to learn at their own pace and offer more flexibility in scheduling.
