Brushstrokes of Creativity: Intra-School Painting Competition with HT Pace

The air at Jaspal Kaur Public School buzzed with excitement as young artists from Pre-Primary to Grade VIII picked up their brushes and brought their imagination to life in the much-awaited Intra-School Painting Competition on 31 January 2025, organized in collaboration with HT Pace. With colors splashing across canvases and creativity flowing freely, the event turned into a spectacular celebration of artistic talent!

From the tiniest tots to the seasoned junior painters, every participant had a story to tell through their strokes. The competition featured three unique themes tailored to different age groups: Tiny Tot Artists (Pre-Primary to Class II) – “Fun with Shapes,” Junior Artists (Class III to V) – “Me and My Selfie,” and Senior Artists (Class VI to VIII) – “Hanging Out with Friends.” With 1.5 hours on the clock, the school’s corridors echoed with the sounds of pencils sketching, brushes swiping, and minds at work. Each masterpiece reflected a world of imagination, from bright and bold strokes to delicate details.

The competition wasn’t just about painting; it was about recognition and rewards too! Every participant walked away with a Participation Certificate, while the top three winners in each category received Achievement Certificates and exclusive gifts. The prizes were distributed by the School Principal, Mrs. Asha Saran Srivastava along with the Headmistress, Mrs. Shikha Dhameja and the esteemed judge, who encouraged students to continue honing their artistic skills.

And just when the excitement seemed to peak, the event had one more delightful surprise—a magical grand finale! A lively magic show mesmerized the young audience, adding an extra sparkle to an already dazzling day. The event was not just about competition but about celebrating creativity, self-expression, and the joy of art. As students left with color-stained fingers, bright smiles, and proud hearts, it was clear that this art-filled adventure had painted lasting memories.

Principal’s Remarks:

“The Intra-School Painting Competition was not just an event but a platform where young minds could explore their creativity without boundaries. The enthusiasm and originality displayed by our students were truly commendable. Art is a powerful medium of expression, and we are proud to nurture such talent in our school. We thank HT Pace for their collaboration and look forward to more such inspiring events in the future.”
