## JKPS Hosts a Thrilling Junior Sports Day 2025

The spirit of sportsmanship, perseverance, and teamwork was on full display at Jaspal Kaur Public School (JKPS) on 8 February 2025 as the school hosted its much-anticipated Annual Junior Sports Day 2025. The event, filled with enthusiasm and competitive spirit, was attended by students from Preschool to Class V, esteemed guests, school faculty, and parents. The grand event was graced by the presence of Mr. Gurusatkar Singh Sodhi and Mr. Bijender Singh Hooda as Guests of Honour, along with Mr. Sajiv Pillai, a proud JKPS alumnus. The event was further distinguished by the presence of the School’s Vice- Chairperson Mrs. Rasna Singh. They were warmly welcomed by the respected Principal Ma’am, along with the school’s national-level sports achievers. The young sports enthusiasts and budding skaters stepped forward one by one, presenting their floral tokens of respect, while the school band played a triumphant welcome march in the background. Following this, the school Principal Mrs. Asha Saran Srivastava addressed the gathering, encouraging young Jaspalians to embrace sports as a medium of self-discipline and growth.

The day began on a spiritual note with a soulful Shabad. A highlight of the inauguration was the Lighting of the Ceremonial Sports Flame by the esteemed guests. The junior sports captains proudly joined in and passed the sacred flame to the school’s national and international sports achievers, symbolising the spirit of sportsmanship and excellence.

The young and energetic Jaspalians then took center stage to mesmerize the audience with their graceful yogic postures and various asanas. One of the most heartwarming moments of the day was the Spring-Themed Nature Walk by the students of Preschool and Pre Primary. Their innocent smiles and determined steps captured every heart present.

Following this, the Preschoolers brightened the track with the Flower Race, while Preprimary students entertained with the Animal Race. Class I to V students participated in activities such as the Tunnel Race, Tribond Race, Crab Walk, and Circuit Race, displaying remarkable athleticism and drawing enthusiastic cheers from the crowd. Perhaps the most touching addition this year was the "Buddy System" JKPS implemented, where older students helped guide and encourage their younger counterparts through various activities. This initiative created beautiful moments of mentorship and friendship across age groups.

Adding to the excitement, the Aerobics Presentation left the audience spellbound. In a special Parent Race, the excitement reached new heights as parents took to the track. Their participation added a unique charm to the event, reinforcing the bond between family and sports.

The Prize Distribution Ceremony was a moment of pride for all participants, with the esteemed guests awarding medals and certificates to the winners. The school also acknowledged the perseverance and determination of every participant, ensuring that all young athletes felt celebrated. This celebration of sports at JKPS wasn't just about winning medals—it was about nurturing dreams, building confidence, and fostering a lasting love for physical fitness among the young Jaspalians.

The event concluded with inspiring words from the Guests of Honour. A special memento presentation to the guests was followed by a heartfelt Vote of Thanks by the Headmistress Ma’am. The day ended on a patriotic note with the National Anthem, leaving students and parents with memories of a truly spectacular and spirited Sports Day.
