MUN Orientation Session

Date: 24th April 2025

Venue: School Auditorium, Jaspal Kaur Public School

An enlightening Model United Nations (MUN) Orientation Session was held on 24th April 2025 in the school auditorium of Jaspal Kaur Public School for students of Grades VII to XII. The session aimed to introduce students to the dynamic world of MUNs, nurturing a culture of global awareness, diplomacy, and articulate expression.

The session was conducted by Ms. Nishtha Bathla, PGT Political Science at GD Goenka Public School and a seasoned MUN trainer. She was joined by Mr. Nayan, the founder of Griffins Ventures, who shared his insights on leadership, innovation, and the transformative power of youth engagement in global dialogue.

Highlights of the Orientation:

Understanding MUNs:

Students were introduced to the concept, structure, and purpose of MUNs. Ms. Bathla highlighted how participating in MUNs helps students cultivate vital skills such as public speaking, critical thinking, research, teamwork, and diplomatic negotiation—essential tools in shaping responsible and informed global citizens.

Committees and Agendas:

The session also familiarised students with the tentative committees and proposed agendas for the upcoming MUN conference, including:

- **UNGA:** *Deliberating the Impact of Climate Change on Global Peace and Security*
- **UNHRC:** *Addressing Human Rights Violations in Conflict Zones*
- **WHO:** *Global Strategies to Prevent Future Pandemics*

The session was marked by enthusiastic participation, with students engaging actively in interactive Q&A rounds and hands-on mock simulations. It successfully sparked curiosity, critical thought, and a spirit of leadership among the attendees.

Through such meaningful initiatives, the school continues to empower its students to become thoughtful, globally conscious individuals who are prepared to engage with the world through informed dialogue and collaborative problem-solving.
