## Workshop on Manner and Etiquettes

*“Politeness and good manners open the door to a successful and happy life.”*

At JKPS, we believe that the true purpose of education extends beyond academic achievement. Our goal is to instil values that inspire positive behaviour and meaningful interactions, helping students contribute to a respectful and harmonious society. Through education, we aim to nurture individuals who not only excel in knowledge but also embody the principles of respect, empathy, and social responsibility.

Keeping this goal in mind, a workshop on *Manner and Etiquettes* was organised for the students of classes 4 and 5 on October 23, 2024. The session, led by resource person Jayshree Mehta, began with thought-provoking questions such as “What are manners?” and “Why are they important?” This approach helped students gain a deeper understanding of the topic. Following the discussion, an engaging activity was conducted, in which the students participated enthusiastically. Through this activity, a key lesson was imparted: we should treat others the way we wish to be treated—with respect, kindness, and politeness. The workshop not only equipped the students with essential social skills but also fostered a sense of empathy and understanding. Ms. Jayshree Mehta also provided valuable tips to the children on how to enhance their manners in three key areas: personal relationships, public spaces, and social interactions. She emphasised that improving manners in these areas is essential for fostering healthy relationships. Additionally, she emphasised the importance of using four golden words—sorry, please, thank you, and excuse me—in everyday life. The students were encouraged to incorporate these polite expressions into their daily interactions, as these simple yet powerful words can enhance communication skills and improve manners, creating a positive environment for their growth and development.

At the end of the session, the students shared their real-life experiences and asked questions about how to demonstrate good manners in challenging situations. The resource person provided thoughtful answers, encouraging them to maintain a polite demeanour in all situations. She emphasised the importance of consistently demonstrating good manners as a means of fostering a positive and peaceful society. The workshop concluded with heartfelt gratitude to Ms. Jayashree Mehta, whose impactful session inspired the children to make meaningful changes in their outlook and behaviour.
