

Glimpse of Activities

November

Pre-School

"Let's make
our mushroom
extra special
by adding
black bindis !
Each dot will
make it look
even more
amazing!"

“Bindi pasting activity enhances creativity, fine motor skills, and sensory exploration in a fun, hands-on way for kindergarteners”

"Through the simple joy of bindi pasting, little hands create big expressions of creativity and learning."

Assembly on GURU NANAK JAYANTI

"Guru Nanak said, 'God is one, and we are all equal.'
Let's be kind to all."

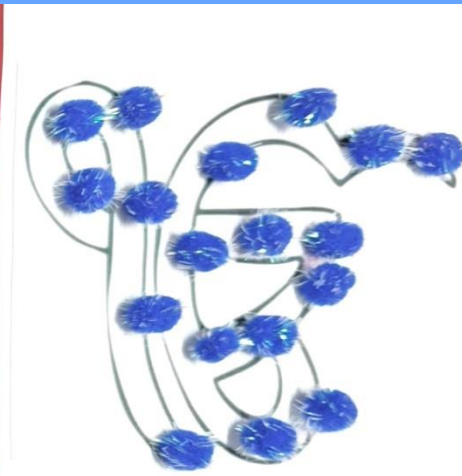

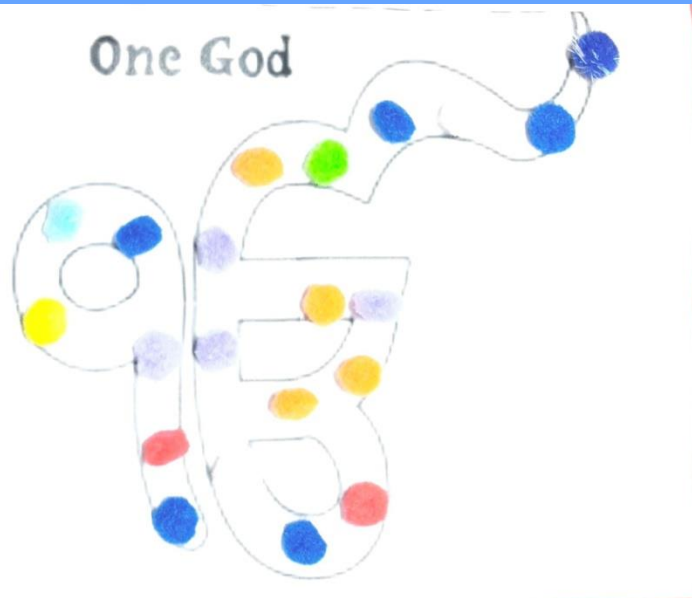

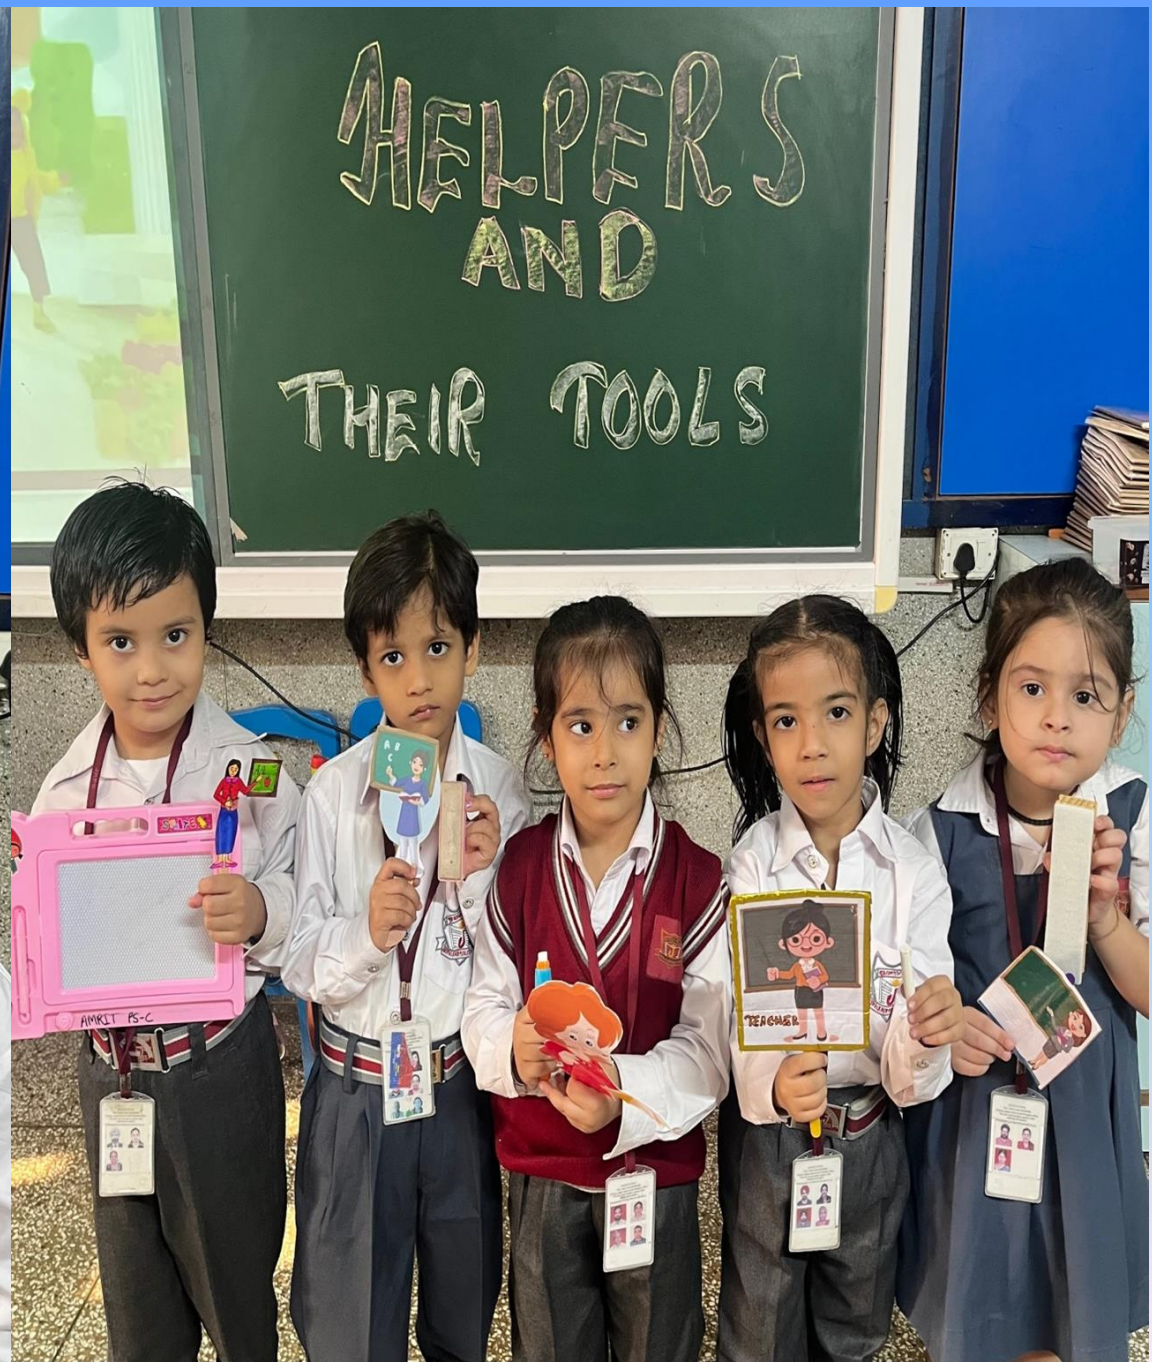

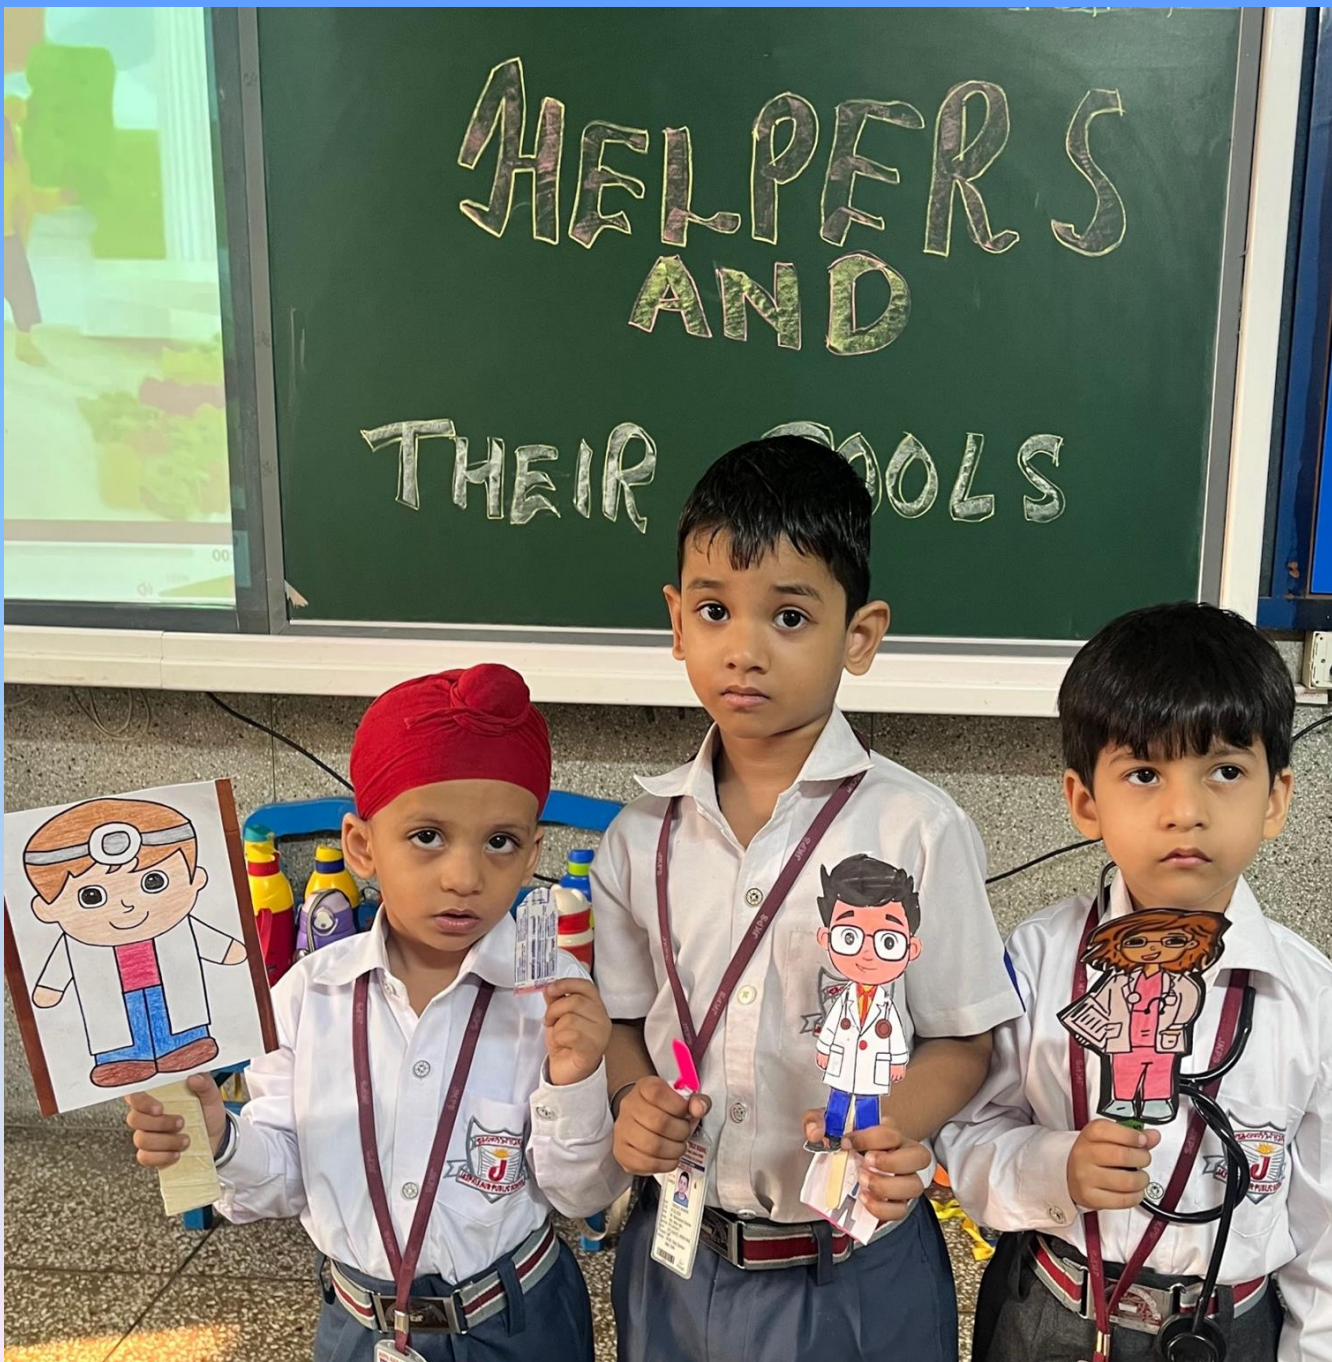

Thank You, Helpers!

The world is full of **HEROES** who care
for us all! We have so many people
to be grateful for. 🌸🌸🌸🌸🌸🌸🌸

“The activity of matching helpers with their tools in kindergarten nurtures both community, as development and a sense of community, as children begin to understand the roles people play and how tools help them accomplish meaningful tasks.”
