Report on the Katkatha Puppet Art Trust’s Puppet Film Festival

On Friday, April 4, 2025, the students of Class 5 had the delightful opportunity to attend the Puppet Film Festival organized by the Katkatha Puppet Art Trust at the India International Centre. The event was an engaging and enriching experience, exposing students to the fascinating world of puppetry through short films, exhibitions, and demonstrations by master puppeteers.

The festival presented an eclectic mix of short films, each conveying a valuable moral message. By incorporating various puppet forms and storytelling techniques, these films enabled students to appreciate the artistic and cultural depth of the puppetry art form. The visual storytelling with meaningful lessons captivated the children and made learning enjoyable.

In addition to the films, students thoroughly enjoyed an exhibition of different types of puppets, including Kathputli, leather puppets, and rod puppets. The exhibition provided valuable insights into the history and craftsmanship of puppetry, sparking curiosity among the students. They were particularly fascinated by the intricate details and techniques used in making and operating puppets.

The festival also featured live demonstrations by expert puppeteers, allowing students to witness firsthand how puppetry can bring stories to life. These sessions both captivated the students and encouraged them to explore puppetry as a creative form of storytelling.

Overall, the Puppet Film Festival was a delightful and educational experience for our students. It offered them a fresh perspective on visual storytelling and reinforced important moral values through engaging narratives.

Participation in the Puppet Film Festival was a memorable experience, leaving students inspired and eager to learn more about the art of puppetry.
