

## VISIT TO UPASANA SPECIAL SCHOOL

*“In a world where you can be anything, be kind. It’s the simple gestures that have the power to change someone’s day,”*

The JKPS fraternity, keeping our motto in our hearts, “**Shubh Karman Te Kabhoo Na Taro,**” has always tried to put our best foot forward in empathizing and understanding the needs of neuro-diverse learners. Our young Jaspalians and parents paid a visit to **Upasana Special School** on April 26, 2024, Friday on account of **Autism Awareness Month**. They observed the campus, understand the functioning of the school, and contributed to helping the children studying in the school.

Upasana Special School caters to neuro diverse learners. Besides providing various therapies, they provide skill development training for employment purposes to persons with disabilities. The campus was well maintained and Jaspalians interacted with the kids and the staff of the school.

Visiting Upasana Special School and engaging with children with special needs was an enriching experience that opens one's eyes to the resilience, uniqueness, and boundless potential of every individual. Stepping into the vibrant classrooms, filled with laughter and warmth, we were greeted by a spectrum of personalities, each with their challenges and strengths.

Interacting with these remarkable children, we witnessed their incredible determination, creativity, and unwavering spirit. Despite facing obstacles that may seem insurmountable to some, they approach life with courage and an infectious zest for learning.

Every interaction was a lesson in empathy, patience, and acceptance, as we learned to appreciate the beauty in our differences and the power of inclusion.

Through their joyous laughter, heartfelt conversations, and genuine curiosity, these children taught us invaluable lessons about resilience, kindness, and the limitless possibilities of the human spirit. Our visit to the special school left an indelible mark on our hearts, reminding us of the importance of embracing diversity, celebrating individuality, and fostering a community where everyone is valued and supported.

Our school students and parents distributed stationery items including, notebooks, and sheets to help the children with their basic scholarly pursuits. All the young minds present there, exhibited such amazing talents and reflected hope and love in their eyes. It was truly a pleasure to share a few moments with all of them!
