Observing Vigilance Awareness Week (VAW)-At JKPS

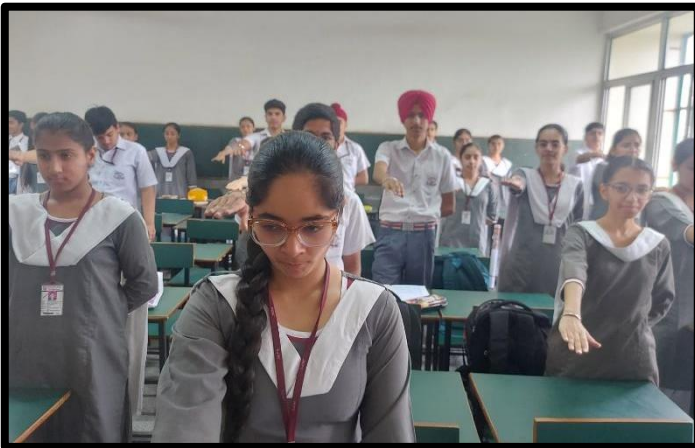

“Promote Integrity, eradicate corruption: A Vigilant Nation for a Prosperous Future!”

Vigilance Awareness Week is observed from October 30 to November 5 every year in India.

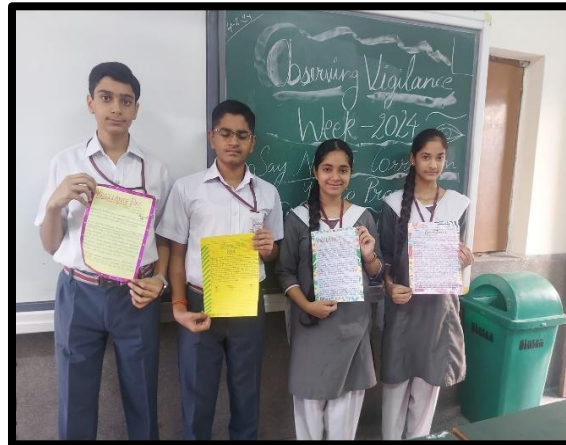

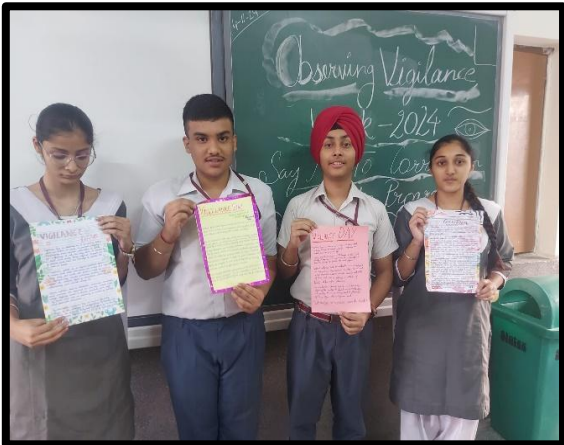

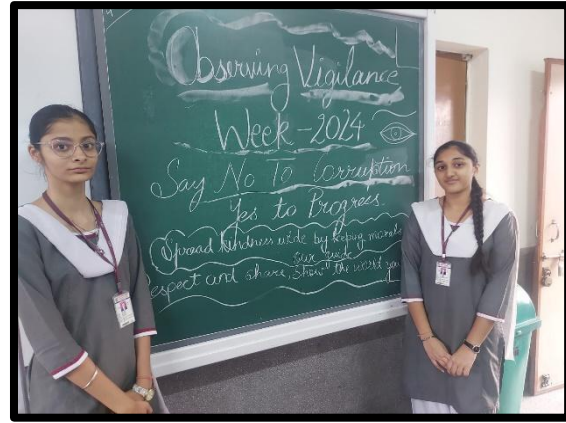

Vigilance Awareness Week was observed at Jaspal Kaur Public School with the theme “Culture of Integrity for Nation’s Prosperity” to raise awareness about the importance of integrity, transparency, and anti-corruption efforts. Students were encouraged to understand and uphold honesty and stay vigilant against corruption. A number of activities were organized like a Pledge ceremony, Essay writing, Poster making, and awareness talks.

These activities aim to instill a sense of responsibility in young minds, fostering values that contribute to a more transparent and fair society. Vigilance Week is crucial as it reminds citizens and officials of the importance of a corruption-free society, motivating everyone to contribute actively to a culture of integrity and fairness in all aspects of public administration.

The Vigilance Pledge is a commitment to maintain constant awareness, integrity, and responsibility among students.

Essay writing by students deepened their understanding of integrity and responsibility.

Poster making helped students to reflect on their ethical behavior in their personal life.
