Visit to Abhyaas Special School

“Every child is a different kind of flower that all together make this world a beautiful garden”.

The JKPS fraternity has always made an effort to put its best foot forward in empathising with and understanding the requirements of neuro-diverse learners, keeping our motto, "Shubh Karman Te Kabhoo Na Taro," in mind. On Tuesday, April 15th, 2025, our young Jaspalians, along with their teacher and parents, visited Abhyaas Special School in Mehandru Enclave as part of Autism Awareness Month and a community outreach programme.

It was a day full of learning and memories for students, who had the opportunity to meet and interact with youngsters with special needs. Abhyaas Special School works with specially-abled children and adults to support their learning journeys. Everyone at Abhyaas School was delightful, pleasing and interactive.

As an expression of love, our school presented stationery materials to CWSN students. Every child, including Jaspalians, tapped their feet to the beat and danced their hearts out. It was also beneficial for the Jaspalians. Through community service, they learnt to be more sensitive to children with special needs and returned with a sense of satisfaction and overwhelming smiles, happiness, and delight for the youngsters there!
