## BLESSING CEREMONY CLASS X

**"Everything comes to us that belongs to us if we create the capacity to receive it."** —

**Rabindranath Tagore**

On 9 February 2026, the school auditorium was filled with a serene, spiritual aura as the Grade X students gathered for their Blessing Ceremony. As these students stand on the threshold of their first-ever Board Examinations, the school community came together to invoke the Almighty's blessings for their success and well-being.

The programme commenced with a serene Paath and Ardaas. The peaceful chanting and heartfelt prayers created a profound sense of positivity, alleviating exam-related anxiety and instilling inner calm among the students.

The ceremony featured empowering addresses from the mentors, providing students with a comprehensive roadmap for the weeks ahead. Our esteemed Principal Ma'am inspired the batch to approach their upcoming examinations with a purposeful blend of sincerity and fortitude. She emphasised that while academic diligence is essential, the true cornerstones of success lie in prioritising physical well-being, unwavering punctuality, and the mastery of time management. Following this, our gracious Headmistress Ma'am imparted her solemn blessings and conveyed her most heartfelt aspirations for their bright futures. She left the students with a profound reminder: the rigorous dedication they invest today serves as the enduring foundation for all their triumphs tomorrow.

The ceremony concluded on a high note of hope and faith. The students left the auditorium not just with the blessings of their teachers and the Almighty, but with a renewed sense of self-belief.

As they move into their final preparations for the forthcoming Board Examinations, the entire school stands behind them. We are confident that our students will carry this spirit of determination into the examination halls and emerge with flying colours.
