## **BLESSING CEREMONY CLASS XII**

"Wings are not only for birds; they are also for those who have the courage to trust the wind of their dreams."

On **31 January 2026**, the JKPS campus was enveloped in an aura of reverence and hope as it hosted a poignant **Blessing Ceremony** for the outgoing Class XII batch (2025-26). The event marked a monumental milestone, celebrating the transition of our students from the familiar corridors of school to the expansive horizons of their future.

The ceremony was graced by two distinguished alumni whose stellar careers serve as a beacon of excellence. **Dr. Pawan Goel (Batch of 2011)**, an AIIMS topper (**AIR 1**) and Consultant Endocrinologist at Max Hospital, shared how his journey from JKPS to the pinnacle of medicine remains a massive inspiration. Similarly, **Mr. Sarthak Goswami (Batch of 2015)**, an alumnus of **IIM Calcutta and ESADE Barcelona** and currently a Portfolio Management Executive at AlphaWave Global, motivated students by reflecting on his experience driving strategy for global giants like Swiggy and Lenskart. Both guests shared emotional reflections, crediting their alma mater for providing the bedrock of their global success.

The proceedings commenced with a soulful **Shabad and Ardaas**, invoking the Almighty's grace and **providence**, followed by the traditional **Lamp Lighting** ceremony. Our **esteemed Principal Ma'am** offered a vital roadmap for success, emphasising sincerity, physical well-being, and the mastery of time management, while expressing profound gratitude to the parents for their steadfast partnership. Following this, the **Head Boy and Head Girl** delivered heartfelt speeches, reminiscing about their journey since they first entered the school gates.

The sacred bond between teacher and student was beautifully celebrated through a series of **personal messages shared straight from the mentors' hearts**. This poignant montage distilled the educators' warmest aspirations and wisdom, serving as a guiding light for the outgoing batch. As the screen came alive, a **soulful retrospective** took the students on a journey back in time, capturing their evolution from wide-eyed children to confident young adults within the hallowed halls of JKPS.

Adding to this emotional tapestry, **parent speakers** shared their reflections, bestowing collective blessings and acknowledging the school's pivotal role in their children's growth. To ensure these memories remain etched in their hearts, the ceremony included a **Souvenir Presentation**, providing each student with a tangible keepsake of their cherished school years.

The ceremony reached its graceful conclusion with a **formal Vote of Thanks proposed by our gracious Headmistress Ma'am**. She expressed her heartfelt appreciation to the guests, parents, and faculty for the success of the event. In her final address, she bestowed her solemn blessings, reminding the students that their current **rigorous dedication** is the enduring foundation for all future triumphs.

The event culminated on a note of deep patriotism and unity with the rendition of the **National Anthem**. The ceremony left the batch of **2025-26** with a blend of moist eyes and high spirits, ready to step out with fortitude and conquer the world.
