The **Community Outreach Exhibition** held on 14th October 2025 was a heartfelt reflection of how education at JKPS School transcends textbooks to touch lives through compassion, empathy and human connection.

The event was graced by **Padma Shri Shovana Narayan**, an eminent Kathak dancer, as the Chief Guest. We were also privileged to host our Guests of Honour: **Mr. Shekhar Singh Dalal**, IAS; **Ms. Meenakshi Arora**, Deputy General Manager, TPDDL; and **Ms. Megha Sidhu Jain**, Officer on Special Duty (IRS), Ministry of Finance, Government of India.

The Jaspalians, along with the Paathshaala students, proudly showcased their learning journey through exhibits and models from **visits to old-age homes** and **special schools** to active participation in **community drives and awareness campaigns**. Their interactions and reflections revealed not only awareness but also emotional depth and personal growth. The Paathshaala students, in particular, had a wonderful time engaging with the guests, sharing their creations and learning valuable lessons about confidence, teamwork and creativity, aligning with **SDG 4** (Quality Education), **SDG 10** (Reduced Inequalities) and **SDG 11** (Sustainable Cities and Communities).

The exhibition area was thoughtfully designed, with vibrant board displays illustrating the **school's outreach journey such as 20 Years of Vivekananda Paathshaala, Drives and Camps, Visits to Organizations** and Jaspalians in Action. The creative corner, filled with **handmade items** such as **keychains, mandala art tortoise pieces, decorative diyas, pen stands and gift wraps** crafted by Paathshaala students, stood as a testimony to their imagination and dedication, reflecting the spirit of **SDG 4** (Quality Education), **SDG 8** (Decent Work and Economic Growth) and **SDG 12** (Responsible Consumption and Production).

Adding a special touch was the presence of a **parent volunteer** who had earlier conducted a **resin art session**, inspiring the children to explore **art as a means of self-expression and purposeful creation**. A PowerPoint presentation prepared by students further captured the school's outreach journey—from humble classroom activities to impactful initiatives that have touched countless lives. It beautifully showcased the **spirit of collaboration, gratitude and growth** that defines the JKPS learning community. Every corner of the exhibition radiated positivity and purpose. It was not just a display of work but a celebration of **empathy, gratitude and the joy of giving**. The event concluded with warm smiles, applause and heartfelt conversations, leaving everyone inspired by the belief that education is most powerful when it enlightens hearts and transforms lives echoing **SDG 4** (Quality Education), **SDG 3** (Good Health and Well-being) and **SDG 17** (Partnerships for the Goals).
