Rahat Campaign – JKPS & Goonj United in Compassion

From 12 to 14 August 2025, the **Community Outreach Team of Jaspal Kaur Public School**, in partnership with **Goonj – A Voice, An Effort**, led a deeply meaningful **Rahat Campaign**. Over these three heartfelt days, our students, parents, and staff joined hands not only to gather dry rations, ready-to-eat meals, umbrellas, and toiletries, but also to share empathy, kindness, and compassion. Each contribution symbolized more than help—it conveyed understanding and care for those in distress.

These contributions were entrusted to **Goonj**, an organization whose guiding principle—that Goonj’s *Rahat* initiative ensures that relief is delivered with sensitivity and urgency, honoring recipients’ dignity while fostering self-worth and solidarity.

This campaign was an embodiment of moral values made tangible: empathy that drives us to action, kindness that softens hearts, compassion that bridges divides, and responsibility that elevates community care. By aligning with Goonj’s dignity-first philosophy, our school didn’t just provide relief—we modelled the belief that true support uplifts both the giver and the receiver.

Through its meaningful partnership with Goonj, JKPS reaffirmed that education extends far beyond academics. It is about nurturing empathetic hearts, guiding helping hands, and shaping compassionate minds that recognise the power of collective action in building a just and caring society.

The campaign not only provided timely aid to vulnerable families but also promoted responsible reuse and redistribution, fostering a culture of mindful living. In doing so, it strengthened community resilience and reflected our commitment to the global vision of sustainable development, aligning with SDG 1 (No Poverty), SDG 11 (Sustainable Communities), SDG 12 (Responsible Consumption), and SDG 17 (Partnerships).
